Topics for Day-1 were, 'Goal setting' by **Dr.Ramancharla Pradeep Kumar** and 'Wisdom v/s Intelligence' by Dr. Surya Narayana.

Goal Setting:

On the basis of observation and common factor in the society he has concluded that every individual must set a long term and short term goals to work precisely and accurately. He also focus on making priorities, speaker mentioned that one has to put health on top of the list then its family and lastly on responsibilities, he says that being a human being we have three important factor in our life,

- Understanding
- Facilities
- Relationships

Speaker also put a light on general issue which everyone has or faced or do in their life. He guided us that its faculty responsibility for himself and for students that we train them to be happy and satisfied for whatever they have and achieved, and they should not compare themselves with others progress and success as this will lead to stress and get negative feeling.

Dr.Suraya Narayana has guided us to understand the difference between wisdom and intelligent. According to speaker intelligent can be gain by learning but wisdom is all related to human nature, hobbies, character and social background.

Day-2:

Speaker 1 Mr.K.Ramana Prasad has taught classroom management, how to manage class how to make students follow the discipline guideline.

Speaker 2 Mr.Rohit Kandakatla has put a line on outcome base education and guided faculties to make course outcome which should fulfill the NBA program outcome.

Speaker 3 Dr.T Senthil Vadivel has guided to make documents for NBA course files, and provided tools and guidelines for academic and non-academeic evaluation, also provided guidline for course/ program mapping for test/semester/mid-exams.

Day 3:

Speaker1 Professor. Rajasekar reddy has showed the PPT to make everyone understand NBA process its requirements. And NBA 12 common program outcome for all departments.

Speaker Mr.Saidi Reddy has provided guidelines for NBA accreditation process.

What are the need and work everyone has to do and get self motivated and contribute their parts to NBA accreditation. Speaker also provided guidelines to prepare all documents according to departmental level and institutional level.

Day 4:

Speaker Dr.R.S.Jahagirdar has spoke on importance of research and paper publication for professionals. Speaker has guided for how to select topic and format for paper publications.

Speaker Dr.R.S.Hingole has highlighted the process of research and continues progress on research and development for faculty's subjects and title etc.

Day 5:

Speaker Dr. Narayana Chandra has spoken about roles and responsibility of mentor.

Speaker Dr.Srinivas Reddy has spoken about personality development, the impact of good behavior, according to speaker personality is just about looks or attire but it also about attitude professionalism, how good behavior can give positive energy and can add value for employee professional and personal impression.

Speaker C.Neethravathi has taken active session on leadership, how a leader can motivate his team members to work for team not for individuals and a leader plays a key role to fulfill the task in time
