

## **KG Reddy College of Engineering & Technology**

### **Scholarships**

#### **Purpose of giving Scholarship:**

- To help the students whose family's annual income is less than one lakh.
- To support students who aim to become engineer and couldn't qualify EAMCET for various reasons. KG Reddy College of Engineering & Technology aims to support such student's dreams.

#### **Standard Operating Procedure for Scholarship**

KG Reddy College of Engineering & Technology gives Scholarship to students through checking following criteria:

1. Annual income of Parents
2. Academic – Merit of student
3. Preferably nearby villages
4. Achievements -Sports/ Social activities
5. Physically Challenged

The process would be based on above mentioned criteria's and the cases are put through Board of Governance for final selection. And selected students status would be reviewed year after year on their academic performance.
