Data Generation Agreement

This Data Generation Agreement ("Agreement") is hereby entered into on this date 18/07/2019 which shall hereinafter be referred to as the Effective Date.

Purpose: To agree on the terms and conditions surrounding the generation of data (hereinafter referred to as "The Data") by the students of KG Reddy College of Engineering and Technology (hereinafter referred to as "The College") for BoMoTix Pvt. Ltd. (hereinafter referred to as "The Company").

BoMoTix Pvt. Ltd.
Representative: Deepak Upendra
Director, Lilac-34, Serene County, Telecom Nagar, Gachibowli, Hyderabad – 500032, Telangana

KG Reddy College of Engineering and Technology
Representative: R.S. Jahagirdar
Principal, KG Reddy College of Engineering and Technology, Chilkur, Moinabad Mandal, RR Dist – 501504, Telangana

The Company and The College hereby agree that:

1. The College shall generate specific data, as required by The Company, as described below.
2. The Company agrees to pay the students of The College, upon completion of targets set by The Company, and agreed upon by both The College and The Company, on a monthly basis.

For the purpose of the Agreement, these will be the definitions of the following terms:

1. "Confidential Information" refers to all information regarding The Data, including, but not limited to, the proprietary tool used to generate The Data, ("Proprietary Tool"), the process of generating The Data, the use case of The Data, and other data-related information.

Data Generation

1. The College shall put forth reasonable efforts to ensure the students generate The Data.
2. The Data shall be generated, stored and uploaded to The Company's portal as explained by The Company.
3. The Company will pay the students Rs. 2,000 each per month, for completing their respective target and will pay an additional Rs. 500 each per month, for completing their bonus targets, as defined by The Company.
4. The Company will perform weekly reviews to check the quality of The Data.
5. Both parties shall ensure that Confidential Information is not disclosed to any unauthorized third parties.

Steps to Generate Data

- First set of 15 students shall:
  1. Download zip file containing videos and other necessary data assigned to them by The Company from The Company's portal.
  2. Extract the zip file
  3. Open the Proprietary Tool of The Company and select the image (frame) that is going to be worked on.
4. Draw a box around visible volleyball, volleyball players, volleyball net in the video in the Proprietary Tool of The Company. In case of multiple volleyball and volleyball nets being visible, a box has to be drawn around all the visible volleyballs and volleyball nets.
5. Generate a zip file of all the XML files generated from the Proprietary Tool.
6. Generate a MD5 checksum for the zip file and upload the zip file along with the MD5 checksum to The Company’s portal in a way defined by The Company and communicated to the students of The College.

- Second set of 5 students shall:
  1. Download zip file containing videos and other necessary data assigned to them by The Company from The Company’s portal.
  2. Download the zip file containing the XML files generated by the first set of students.
  3. Extract both the zip files to a specific directory
  4. Open the Proprietary Tool of The Company and select the image/frame that is going to be worked on.
  5. Verify that all the boxes drawn by the first set of students are accurate.
  6. Make sure there are no volleyballs, volleyball nets and volleyball players missed from being drawn.
  7. Rectify any error in The Data generated by the first set of students.
  8. If there are major errors, ask the first set of students to generate that segment of data again in the portal.
  9. Re-Upload The Data to The Company’s portal in a way defined by The Company and communicated to the students of The College.

Terms of Termination

1. If mutually agreed upon premature termination of this Agreement shall occur, any funding not yet received by The College shall be halted.
2. This Agreement shall be terminated upon completion of the product development.
3. This Agreement may be immediately terminated by either party if either party breaches any section of this Agreement.
4. The Proprietary Tool and The Data of The Company shall not be used for any purpose apart from set forth herein and shall not be transferred to any other device or mode in any form other than the devices that The Company has installed the Proprietary Tool on.

The undersigned have read this Agreement and agree to the terms herein.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding is made at Moinabad, Rangareddy on Wednesday 30th January-2019.

BETWEEN

Navya Institute of Computer Technologies an Institute Recognized by Govt. Of India, Under Ministry of MSME, having its Registered Office at 6-2/3, Phanigiri Colony, Dilsukhnagar, Hyderabad – 500 060 branded as ‘NICT’ a Training Institute of Taxation & Computer Accounting Packages (which term shall so far as the context admits be deemed to mean and include its successors, administrators, executors and assignees) of the First Part.

AND

Department of MBA – Kg Reddy College Of Engineering And Technology, located at Chilkur, Moinabad, Ranga Reddy, Telangana hereinafter referred to as “MBA-KGRCET” (Which term shall so far as the context admits be deemed to mean and include its successors and assigns) of the Second Part,

WHEREAS:

1. NICT is a Training Partner associated with various corporates for providing training to the students as part of their CSR activity.
2. Department of MBA-KGRCET is an Educational institution affiliated to JNTU Hyderabad. The College offers Master of Business Administration.
3. Department of MBA-KGRCET is willing to enter into a Memorandum of Understanding (MOU) with NICT for the skills enhancement initiative through Career Clap, the technology platform and other face to face initiatives.

[Signature]
NOW IT IS HEREBY AGREED BY AND BETWEEN THE PARTIES HERETO AS UNDER:

1. **Objective:**
   The objective of this MOU is to enable students of Department of MBA-KGR CET access resources that would enhance their employability.

2. **Period of MOU:**
   This MOU shall come into force and effect from the date of execution and shall remain valid for a period of ten years from such date after which the same may be reviewed by either party. However, if the same is not renewed this arrangement will be deemed terminated on the expiry of the said duration period.

3. **Roles & Responsibilities of the College:**
   a. The College shall be responsible to nominate one person with adequate accountability and responsibility to coordinate the engagement. The person so appointed would act as the single point of contact (SPOC) for the proposed initiative.
   b. The College shall share the details of the students like name, email ID and contact details who are willing to undergo the aforesaid skill enhancement initiative through Career Clap with NICT in the College Letterhead. The College further authorises NICT to share the above information with NASSCOM Foundation/ Barclays to get in touch with the students for updating them about various job fairs, placement drives etc, and to seek feedback of the program.
   c. It would be the responsibility of the College to ensure that proper publicity of the Program is made through College website.
   d. To encourage the students to register for the Program by informing them about the benefits of the program.
   e. To provide all the support services and facilities to NICT during the conduct of the said Training Program.
   f. To coordinate with NICT and facilitate conduct of all the assessments including the assessment to be conducted by the external agency (if any) identified by NICT, as per schedule communicated by NICT.
4. **Roles & Responsibilities of NICT:**
   a. NICT shall be responsible to provide access to employability enhancement related activities through blended learning model including use of Career Clap.
   b. NICT will arrange for assessment of its own and also arrange external assessment as required.

5. **Other Terms & Conditions:**
   Following are the other terms and conditions of MOU:
   a. The students enrolled should complete the training as scheduled.
   b. The students should register online through Career Clap and appear for Assessments as required.
   c. Program Coordinator to be appointed by college
   d. TPO's active support and participation is required for smooth & efficient conduct of the program
   e. The College shall not write/publish any material or use any logos/names of NICT/ Nasscom Foundation/ Barclays in any of the publications without prior written consent and approval from NICT.

6. **Commercials:**
   This Training Program is free of cost. NICT shall not charge any fees on whatsoever account/name from the students or the College for conducting the aforesaid training program.

7. **Certification:**
   E-Certificates shall be awarded by NICT to the students on successful completion of the training and clearing of the assessment held post completion of the training program.

8. **Limitations and Warranties:**
   Both parties agree that it would be their endeavour to prevent any liability arising out of default or non-compliance of the MOU terms by the other party.

9. **Termination:**
   a. Both parties can terminate the MOU with a prior written thirty (30) day notice on default of terms of non-adherence to any condition or responsibilities by the other party as outlined in this MOU in case such default is not rectified within such 30 days.
b. Both parties also agree that it would be their professional endeavour that despite any termination of the MOU, progress would continue, without any prejudice to the ongoing Training Programs, which would be without any hindrance and would be progressed for completion.

10. Entirety & Amendment:
This MOU contains the entire understanding between the Parties in relation to the Training Program. If during the operation of the MOU, circumstances may rise which call for alteration / modification to this MOU, such alteration / modification shall be mutually discussed and agreed upon in writing. Such changes will be formalized in writing as an ‘Addendum’ to this MOU. Any changes/amendments to this MOU not in conformance to this section shall be deemed to be void-ab-initio.

11. Intellectual Proprietary Rights:
All intellectual or proprietary property and information, supplied or developed by either Party shall be and remain the sole and exclusive property of the Party who supplied or developed same. Upon termination of this MOU and upon written request, the Party in receipt of the requesting Party's intellectual or proprietary property and/or information pursuant to this MOU shall return such information to the requesting Party.

12. Confidential Information:
a. Both the parties undertake to each other to keep confidential all information (written or oral) concerning the business and affair so of the other, which has been obtained or received during the course(s) of performance hereunder, save that which is inconsequential or obvious.
b. Already in its possession other than as a result of a breach of this clause, or in the hand so of the public other than as a result of a breach of this clause.
c. In the event of any of the parties becoming legally compelled to disclose any confidential information, such party shall give sufficient notice to the other party so as to enable the other party to seek timely protective order or any other appropriate relief. If such an order or other relief cannot be obtained, the party being required to make such a disclosure shall make the
disclosure of the Confidential Information only to the extent that is legally require do fit and no further.
d. Both parties agree not to deal directly or enter into any business agreement with any of the partners or associates or customers of either party during the term of the agreement and also after the agreement has been terminated, not earlier than two years from the date of termination.

13. Force Majeure:

a. Neither party to this MOU shall be liable for any failure or delay on its part in performing any of its obligations under this MOU, if such failure or delay shall be result of or arising out of Force Majeure conditions and, provided that the party claiming Force Majeure shall use its best efforts to avoid or remove such cause of non-performance and shall fulfil and continue performance hereunder with the utmost dispatch whenever and to the extent such cause or causes are removed.

b. Any extraordinary event, which cannot be controlled by the parties, shall for the purpose of this MOU be considered as a Force Majeure event. Such events include acts of God, acts or omissions of any Government or agency thereof, compliance with rules, regulations or order of any Government Authority. Provided however, if either party claims that existence of any of the aforesaid conditions is delaying or disabling the performance by said party of its obligations under this MOU, such party shall give immediate notice to the other party of the existence of such conditions whose existence are claimed to delay or disable the performance of obligations as aforesaid.

14. Jurisdiction and Arbitration:

a. In the event of any dispute or difference between the Parties hereto, the courts in Ranga Reddy District alone shall have exclusive jurisdiction to try any matter arising between the Parties here-to and accordingly both the Parties shall submit to the exclusive jurisdiction of courts in Ranga Reddy, Telangana.

b. Any dispute arising out of, in relation to or in respect to this MOU shall be settled through mutual consultation and agreement, by the Parties to this MOU. In case a settlement is not arrived at within fifteen (15) days of
reference, the dispute/s shall be referred to a sole arbitrator to be appointed in accordance to the Arbitration and Conciliation Act, 1996 as amended from time to time. The place of arbitration shall be Pune, India.

IN WITNESS WHEREOF, the Parties hereto have to duly executed this Agreement as on the day, month and year first hereinabove written

1. Parties hereby agree that Institute shall collect fees from each Student and shall make the payment to ARK on mutually agreed terms on time to time basis as per the respective Courses in the manner which will be mentioned in the separate purchase orders which will be given by the Institute for each trainings with specified terms and conditions.

2. The commercials for each of the program shall depend upon the depth and scope of program coverage and the use of special software tools and equipment during the program. In principle, the cost shall be arrived at by considering hours of classroom interaction, quantum of fieldwork, customization of courseware, and size per batch.

MISCELLANEOUS

1. INSTITUTE & ARK hereby agree that ARK will commence the respective sessions at the INSTITUTE’s premises only on mutually agreed schedule by delivering sessions. Further, if required any additional sessions will be provided on the terms & conditions as may be mutually agreed by the parties.

2. The Skill Development programs designed by the ARK shall focus on advancements in technology, and skills-in-demand by industry and delivered by the Institute campus. The delivery of programs shall be jointly monitored and assessed by ARK and Institute, culminating in award of certificates to successful participants.

3. Parties hereby agree that the effective date of this agreement shall be date on which the agreement is signed and the agreement will be valid till 3 years from date of signing and the same may be renewed for further period on mutual agreed terms.

4. Parties hereby agree that ARK is permitted to display their status of being a service provider at Institute’s reception/admission desks, notice boards and other places as agreed by the Institute.

5. Parties hereby further agree that during the term of this agreement; Institute shall not in any manner whatsoever, make arrangement, associate, appoint the instructors provided by ARK as its regular faculty, consultant etc.
6. Either party may terminate this arrangement by giving a prior 90 days' notice in writing to the other party.

7. Parties hereby agree that all the trainings will be carried out as per terms as mentioned in the Master Service Agreement herein.

8. Each party shall respect the intellectual property rights of the other, and shall not use without their prior written approval.

9. Institute hereby authorizes ARK to use the Institute's logo, name, URL, curriculum pictures etc. on the social networking websites, or to take any measures to promote the educational program.

10. ARK shall not be held liable to the Institute for any loss, delay or damage occasioned by act of god, or Govt. Policies, fires, floods, explosions, epidemics, strikes, Amendment in Institute schedule, timings etc. which prevents performance of ARK under this MOU and the same shall not restricts the rights of ARK to collect the professional fee from the Institute.

11. Each & Every training order executed between the parties shall be deemed to be part & parcel of this agreement and shall be regulated in accordance to the terms as mentioned hereunder.

12. Both parties shall nominate one representative each to act as primary point of contact for smoother coordination on either side.

13. This agreement shall not be amended, assigned or transferred by either party without the written consent of the other party.

14. This agreement shall be governed exclusively by the laws of India jurisdiction shall be vested exclusively in the courts at New Delhi

MEMORANDUM OF UNDERSTANDING

Between

MOBILE TUTOR PRIVATE LIMITED

AND

KG Reddy College of Engineering and Technology, Hyderabad

This MEMORANDUM OF UNDERSTANDING (here in after referred to as MOU) is by and Between Mobile Tutor Private Limited a registered company under the companies act 1956 having its registered office at No.12, AH Block, 3rd Street, Annanagar, Chennai – 600040 here in after referred to as (COMPANY) and KG Reddy College of Engineering and Technology, Hyderabad, Telangana here in after referred to as (COLLEGE). This MOU is effective from 12th January 2017.

WITNESSETH

NOW THEREFORE, for the purpose of enabling application oriented course contents for College students pursuing Engineering courses, the parties here agree as follows:

BASIC UNDERSTANDING AND OBJECTIVES

1. The Company and the College have a mutual desire to develop application oriented, courseware for engineering students. This will enable students to understand the subject better and deliver better. The company will provide digital contents based on the College (JNTU-H) syllabus by name “M-Tutor”

2. The College intends to host these contents on their web portal and allow their students to download the contents on their smart phone or Tablet for learning as well as to browse it on the web portal.

3. The College shall allow access to these contents for the students of the engineering stream starting from academic year 2017-18 till 2020-21. This will be charged at Rs 600 (six hundred...
only) per student per annum. After the completion of every year during the contract period, there will be a revision on the cost for the next academic year, as agreed by both the parties.

4. The delivery schedule is as below:

Phase 1 Delivery - SEM1, SEM3, SEM5, and SEM7 – Beginning of the odd semester.
Phase 2 Delivery - SEM2, SEM4, SEM6 and SEM8 – Beginning of the even semester.

5. The objective of M-Tutor is to benefit the students. By end of every academic year, the company and College will be able to measure the performance of the students who have used this courseware.

OBLIGATIONS OF THE COMPANY

1. The Company shall provide the College digital courseware in English.

2. M-Tutor will be integrated to the College portal online, so that the eligible students will log in and have online access to these contents as well as download the contents to their smart phone or tablet for online access.

3. The Company will engage with the students and teachers of the College, to create awareness about this courseware and measure the learning outcomes.

4. Feedback will be taken from the College for Further Development of course material during the course of time.

OBLIGATIONS OF THE COLLEGE

1. The College will provide the necessary IT infrastructure to integrate this courseware to the College web portal.

2. The College has to create awareness among the students about existence of such courseware so that the students will derive full benefit of this courseware.

7. That this Agreement shall remain valid for a period of Three (03) Years from the date of this Agreement. The Agreement can be renewed on mutual consent of both parties. However, if this Agreement is not renewed and expires by efflux of time or otherwise terminated by any party, it will be incumbent on the parties to ensure completion of the remaining Programme, arrange for all infrastructure, manpower, etc. if any, and arrange for the examinations/certifications of all the students who have completed the Programme;

8. That this Agreement can be terminated by either party by giving Six (06) months prior notice, in writing, to the other party with sound reasons;

INTELLECTUAL PROPERTY
9. Any course material shared by UPTEC IDEALABS in the form of printed material or digitalized material will be the intellectual property of UPTEC IDEALABS and the College shall not use it, during or after termination of Agreement, for any direct or indirect purpose except for the courses conducted in joint partnership with UPTEC IDEALABS;

DISCLAIMER / FORCE MAJEURE
10. That either party shall be under no liability to the other party in respect of anything which may constitute breach of this Agreement arising by reason of force majeure, namely, circumstances beyond the control of the concerned party which shall include (but shall not be limited to) acts of God, perils of the sea or air, fire, flood, drought, explosion, sabotage, accident, embargo, riot, civil commotion, including acts of local government and parliamentary authority, labour disputes or of any law, statute, or ordinances, order, action or regulations of the Government, or in compliance therewith or any other causes, contingencies or circumstances similar to above;

DISPUTES
11. That all disputes and difficulties of whatsoever nature arising out of and/or concerning the terms and conditions of this Agreement (including, without limitation, disputes or claims with respect to the effectiveness, interpretation, performance, amendment and termination of this Agreement) shall be referred by
either party to a panel comprising of the Managing Director of UPTEC IDEALABS and the Secretary of the College for resolution;

12. In case the above referred panel is unable to resolve the dispute within 30 days of a dispute being referred to them, the same may be referred to arbitration. The Arbitration proceedings shall be carried under the prevailing law of Arbitration and shall be conducted in accordance with the Rules of Arbitration of the Indian Council of Arbitration and the award made in pursuance thereof shall be final and binding on both the parties. The venue for arbitration shall be at Hyderabad and that the parties agree that only the Courts of Hyderabad shall have jurisdiction to entertain any proceedings related to this agreement whether during pendency, or after termination. No other Court shall have jurisdiction.

IN WITNESS WHEREOF THE SAID PARTIES HEREBY HAVE EXECUTED THESE PRESENTS ON THE 24 DAY, June MONTH AND 2016 YEAR FIRST ABOVE WRITTEN.

MEMORANDUM OF UNDERSTANDING

Date: 30-03-2017

This MOU is signed between M/S. "BLIPKART", an affiliate marketing Company, headquartered at Hyderabad

And

KG REDDY COLLEGE OF ENGINEERING AND TECHNOLOGY, affiliated to JNTUH, located at Chilkur (VIII). Moinabad (Mandal), R.R-District, Telangana State - 501504

On this 30th Day of March of the year 2017 and holds good up to 3 years.

PARTIES:

"BLIPKART" an affiliate marketing company registered with the Government of Telangana in which more than 1000 various companies from all over India are affiliated. The company provides customer service in different areas like best deal, best products and direct sales.

K.G REDDY COLLEGE OF ENGINEERING AND TECHNOLOGY (KGRCE) established in 2008 in line with the aims and aspirations of the visionaries for imparting quality technical education. One of the primary objectives of COLLEGE / INSTITUTE is "To Serve the society by educating the rural masses in technical and managerial skills". Keeping in mind the latest developments in science and Technology and the need for the qualified man power in the identified thrust areas we offer CSE, ECE, EEE, CE, and ME courses at U.G level and M.B.A at PG level.

Now KGRCE and BLIPKART are joining their hands together for the sake of providing Internships to the students of KGRCE those who are aspiring for it offered by M/s BLIPKART. By doing so the students are receiving real time projects to explore and learn and thereby becoming more inclined towards the industry in a most disciplined way.
The students from the II B.Tech level to the Final year and MBA are to undergo the selection process of the company and the selected students shall work as interns in the company at their own convenient time without compromising on their regular academics. The entire process and the internships will be closely monitored and delivered by both KGRCE and BLIPKART together.

To facilitate the implementation of this agreement, each party shall designate a liaison officer to serve on a standing committee. The standing committee will meet as and when required. Matters for consideration by the standing committee are to include a review of each party's participation in this agreement, an assessment of the agreement's effectiveness, and modification that might be necessary. The committee will address the urgent issues and specific cases of serious non-compliance. The following are the identified liaison officers.

**For The INSTITUTE:**

Mr. Syamsundar  
Training and Placement Officer, KGRCE  
Ph: 8978992992  
Email: placements@kgr.ac.in

**For “BLIPKART”**

Mr. Ghanshyam Khatwani,  
CEO, BLIPKART.

This agreement becomes effective on the date of signature and continues for 3 years. It may be modified on mutual consent of both the parties. The agreement may be terminated by both parties upon 45 days advance written notice by initiating party to the other party subject to status of tasks undertaken and executed till the date of notice are mutually agreed on.

Acceptance and approval of authorizing officials:

IN WITNESS WHEREOF THE UNDERSIGNED, duly authorized there to, have signed this Memorandum of Understanding on 30th Day of March month of 2017 year.

Director, KGRCE  

For Chief Operating Officer, BLIPKART

Name: Mohit Khatwani  
Date and Seal : 30/03/2017
MEMORANDUM OF UNDERSTANDING

The memorandum of understanding is made on date 15th SEPTEMBER in between "AMZ AUTOMOTIVE- JAIPUR" and "KG REDDY COLLEGE OF ENGINEERING AND TECHNOLOGY, M O I N A B A D". Here in after AMZ AUTOMOTIVE will be referred as 'first party' and KG REDDY COLLEGE OF ENGINEERING AND TECHNOLOGY will be referred as 'second party'. The purpose of this MOU is for achieving various aims and objectives relating to the "Automotive Design and development"

Both the parties are ready to sign this memorandum of understanding with the following terms and conditions.

- First party will be conducting 15 days hands on training program on "ATV Design and Development" for second party referred students.
- The scheduled date for this 15 days training program will be from 2nd to 16th October 2017.
- The second party is liable to pay 10,830/- to first party for each student attending this training program.
- The following will be facilities provided by second party to first party during 15 days training program.

Represented by Principal Dr. Madhusoodanan Nair Manivilasam who is duly authorized to sign this Agreement, (which expression shall unless it be repugnant to the context or meaning thereof be deemed to include its successors, executors, administrators or assigns) hereafter referred as College.

Apollo Microsystems Pvt. Ltd, incorporated under the Companies Act, 1956, represented by its having its registered office at Vaishnavi complex, St.No.6, Habtisguda, Hyderabad-500007(Which expression shall unless it be repugnant to the context or meaning thereof be deemed to include its associated companies/associates, successors, executors, administrator or assigns), hereinafter referred to as Company.

Whereas, the College has been established under the aegis of KG Reddy College of Engineering & Technology is approved by AICTE, New Delhi and Affiliated to Jawaharlal Nehru Technological University, Hyderabad offering Under Graduate And Post Graduate Courses in Engineering and Management.

Whereas Apollo Microsystems Pvt. Ltd is a Company pioneer in design, development, assembly and testing of ruggedized custom built electronic hardware and software solutions for mission critical applications.

And the parties therefore agreed to enter into an Agreement for collaborating with each other.
Company will assist to College for following activities:

- Industrial visit for students and faculty
- Research and Development
- Campus interview as and when required
- Assisting final year students for their project works
- Providing Internship for students
- Guest lectures by deputing experts
- Campus interview as and when required
- Providing training for student and faculty

College will help to assist to Company for the following activities:

- Testing of Materials.
- Sharing library and laboratory facilities
- Development of software for automation / providing consultancy for solving problems.
- Conducting value addition courses for staff
- Display of product in our institute.

DISCLAIMER / FORCE MAJEURE

1. That either party shall be under no liability to the other party in respect of anything which may constitute breach of this Agreement arising by reason of force majeure, namely, circumstances beyond the control of the concerned party which shall include (but shall not be limited to) acts of God, perils of the sea or air, fire, flood, drought, explosion, sabotage, accident, embargo, riot, civil commotion, including acts of local government and parliamentary authority, labor disputes or of any law, statute, or ordinances, order, action or regulations of the Government, or in compliance therewith or any other causes, contingencies or circumstances similar to above;

MEMORANDUM OF UNDERSTANDING

BETWEEN

TECHNOLEXIS
Begumpet, Hyderabad (Telangana), India
https://www.technolexis.com

AND

KG Reddy College of Engineering & Technology
Hyderabad (Telangana), India
http://www.kgr.ac.in

Principal
KG Reddy College of Engineering & Technology
Chilukur (V), Moinsabad (M),
R.R.Dist., Telangana.
Background:
TECHNOLEXIS, Hyderabad, India and the K G Reddy College of Engineering, Hyderabad, India (hereafter referred to as "KGR CET") believe in inherent potential of students hence working towards creating vibrant environment for holistic development of ECE engineering students, giving them proper direction and allowing them to learn things by doing.

Purpose and Scope:
This Memorandum of Understanding (MOU) sets for the terms and understanding between the TECHNOLEXIS and KGR CET to engage in following undertaking categories.

1) K-1: "Research and Development activity" and providing "Industrial Training" to 1st year, 2nd year and 3rd year engineering students of ECE branch.

2) K-2: Major Projects for 4th (final) year engineering students of ECE branch

TECHNOLEXIS and KGR CET both agree to work in collaboration in building a centre of excellence (COE) in electronics domain at KGR CET campus with the listed undertakings.

The scope of the collaboration included in this Memorandum of Understanding includes but is not limited to the following categories:

General Scope of work
1. TECHNOLEXIS would propose some key R&D projects to the management of KGR CET
2. KGR CET would assist in arriving at most suitable R&D project
3. TECHNOLEXIS would design/extend courses to build the strong basics, lay down foundation along with hands-on practical sessions to realize the concepts.
4. TECHNOLEXIS will conduct a survey to check interest, a test to assess and thereby help grouping students in to different technology groups.
5. TECHNOLEXIS would give application oriented training to students
6. TECHNOLEXIS will deploy its industry specialists on the campus during the project development period and deliver a usable solution

The Roles and Responsibilities of Hosting Institution (KGR CET):
1. Providing required space and infrastructure to perform activities proposed in this model
2. Support system to be created between TECHNOLEXIS and KGR CET staff
3. Program assessment to be done time-to-time and provide feedback for continual improvement of program
4. Encouraging and making it mandatory for some of the staff to get engaged with this program
5. Ensuring students attendance for the given program.

TECHNOLEXIS, Begumpet, Hyderabad (Telangana), INDIA

KGR Reddy College of Engineering & Technology
Chitkur (V), Moindabad (M),
R.R.Dist., Telangana.
6. Associate this program with academic curriculum so that TECHNOLEIXIS engineers can recommend marks to be allocated to students for creating positive pressure.
7. Involvement of faculty in this program will help institute to build strong team of educationists.

The Roles and Responsibilities of TECHNOLEIXIS:

1. Preparing month wise training plan and activity schedules, sharing with HoD and management.
2. Ensuring every student understand the concepts and able to apply it practically.
3. We would propose some lab enhancements with required hardware and software tools. Preference would be given to open source technologies.
4. Our engineers would be working as integral part of the institution.
5. Ensuring required number of engineers to be placed on the campus during development.
6. Selected students would be recommended for internship program.
7. We would propose guest lectures/workshops time-to-time.
8. Ensuring confidence building and assisting students for placement and career guidance.

Issues related to Technology developed, IP and Patents at the centre:

1. Any technical activity / idea / product / implemented mutually is a joint collaboration and joint ownership.
2. Either parties can publish jointly in any journals or discuss in any seminar about the technology developed at the centre with giving reference to other partner as well.
3. Joint patents can be applied of any technology developed under this program with mutual concern and a signed approval from the organization heads specified below as signatory authorities.
4. Research/project work done in collaboration can be used by any of the partner and can be productized without taking written permission. Other party may claim for royalty on profit after deducting all expenses.

In order to implement the aims and purpose of this Memorandum, the following is mutually understood and agreed:

Article A

1. Both TECHNOLEIXIS and KGRCE and will appoint coordinators for the development and management of joint activities.
2. Individual programs of work under this Memorandum will be jointly planned and conducted through these coordinators.
3. Specific details of any program under this Memorandum will be set forth in a letter of agreement which will be an integral part of this general agreement upon signing by the appropriate authorities.

TECHNOLEIXIS, Begumpet, Hyderabad (Telangana), INDIA

4. Such letter of agreement will include such terms as:
   (a) schedules for the proposed activity,
   (b) budgets and sources of funds for each activity
   (d) any other items necessary for the effective management of the activity

5. The coordinators will be responsible for the preliminary evaluation of proposals for activities under this Memorandum according to the normal practices of the respective parties.

**Article B**

1. This Memorandum will come into force from 1st July 2014 and will be valid for the academic year 2014-15.

2. This Memorandum may only be amended by mutual agreement of both parties.

3. This Memorandum may be terminated by either party at any time provided that the terminating party gives written notice of intention to terminate at least three months prior to termination.

4. From the date of signing this Memorandum, TECHNOLEXIS and KGRCEET can publish about this collaboration without intimation to other party.

5. Any disputes regarding this Memorandum in the period of operation are subjected to Hyderabad jurisdiction only.

MEMORANDUM OF UNDERSTANDING

Between

KG Reddy College of Engineering and Technology, Hyderabad
And

Skyfi Education Labs Pvt. Ltd., Bengaluru

This agreement has been entered between KG Reddy College of Engineering and Technology, Hyderabad (hereafter referred to as the "institute") and Skyfi Education Labs Pvt. Ltd. on the 7th of August 2014.

Skyfi Education Labs Pvt. Ltd. hereby agrees to conduct the Skyfi Labs Advanced Training in Engineering (hereafter referred to as SLATE) program for the institute as per the schedule and curriculum mentioned mutually agreed upon.

The institute shall:

- Nominate at least one member of the institute's administration/faculty team per department, as a SLATE Faculty Co-ordinator to be a primary channel of communication to Skyfi Education Labs Pvt. Ltd.
- Include the schedule of the SLATE program (all the workshops and the eTests) as per the Academic Calendar of the institute prior to each semester, upon consultation with Skyfi Education Labs Pvt. Ltd.
- Arrange for the venues for holding the SLATE program.
- Each venue shall include an auditorium/lecture hall with good multimedia facilities, classroom(s)/lab(s) (according to the area of focus of the workshop) and arena for testing the developed projects.
- Allow Skyfi Education Labs Pvt. Ltd. to publicise its program by using posters and other means in the campuses.
- (Optional) Allow Skyfi Education Labs Pvt. Ltd. to appoint 'Campus Ambassadors' from the student community of the institute to act as representatives of SLATE and help for the smooth execution of different modules of the SLATE program.
- Provide a permanent space on the main notice board of the institute for the publicity material of the SLATE program, as long as the institute and Skyfi Education Labs Pvt. Ltd. remain associated.
- Recognize Skyfi Education Labs Pvt. Ltd. as the Training Partner of the institute and update the same on the institute's/placement/departmental office's website.
- Allow Skyfi Education Labs Pvt. Ltd. to edit, publish all videos, photographs and other multimedia content obtained during the program.
- Provide proper security to Skyfi Education Labs Pvt. Ltd. team and property at all times.
Share complete information about registered participants to the workshop with Skyfi Education Labs Pvt. Ltd.

**Skyfi Education Labs Pvt. Ltd. shall:**
- Deliver the courses as per the mutual agreement between Skyfi Education Labs Pvt. Ltd. and the respective departments.
- Provide quality workshops according to the structure (refer to "Structure of SLATE") mutually agreed upon between both the parties.
- Bring all the equipment and kits required to conduct the SLATE program.
- Provide "Certificate of Participation" to all the students who successfully complete the workshops.
- Provide "Certificate of Merit" to the top performing teams in the workshops.
- Grant access to the SLATE portal, which hosts the eTests and the post-workshop resources to all the participants.
- Grant access to the recruitment channel of the SLATE program to students who have registered with the SLATE program for a minimum of 4 semesters.
- Continue the association unless the minimum criteria for student participation (40 students from each year in each department in each college of the institute) is not met, consequent to which the decision solely rests with Skyfi Education Labs Pvt. Ltd. whether to continue the association.
- Update the list of courses in each department in accordance to the changing trends of the industry requirements and/or alter feedback from students/faculty/industry experts to make the program more beneficial to the students.
- Provide a list of the courses further divided into the year of study of the participants, before the delivery of the SLATE program every semester and the SLATE representative shall choose from the list by consulting the Head of Department and students of the institute.
- Publicise the SLATE program conducted at the institute by posting its details on its website and through its other social media pages.
- Use 'Skyfi Education Labs Pvt. Ltd.' as the name to receive and settle all financial transactions.

**Payment Clauses:**
- The institute shall charge and pay Rs. 3000 per participant per semester to Skyfi Education Labs Pvt. Ltd. towards conducting the program.
- The fee will be inclusive of all the study material and the kits necessary for the respective workshop(s).
- The institute shall deposit 100% of the fee as an advance before the start of the first workshop.
- The fee for the program will remain to be as stated above till the completion of 1st semester of 2014-15, subsequent to which it will be reviewed annually by Skyfi Education Labs Pvt. Ltd.
- Skyfi Education Labs Pvt. Ltd. reserves the right to come up with offers and discounts to students.

**Termination Clause:**
- Either party can terminate this agreement with at least one semester's prior notice.

**Structure of SLATE:**
The following will be included in the price for the SLATE program:
- Each course as a part of the SLATE program for min. of 16 hrs (2-3 days) duration with structure and content as mutually agreed.
- Conduct 2 courses every semester as per the topics decided by the departments.
- Separate online log in to all participants to access workshop material and interview questions after the completion of course.
- Kits/software and online study material.
- Certificates of Participation (including Industry Partner certification, wherever applicable).
- Certificates of Merit to best performers.
- Online examination for each of the workshop.
- Performance Analysis and Feedback.
- Free Entry to National Level Competitions.

AGREEMENT

This agreement is made and executed on this 08th day of August, 2013 at Hyderabad by and between M/s VALMIKI CONSULTANTS PVT. LTD., a company, incorporated under the Companies Act, 1956 and having its Registered Office at #207, Jade Arcade, Opposite Hotel Paradise, Secunderabad - 500 003, represented by its Director, Raj Valmiki, (Herein after called as First Part, which expression shall, unless repugnant to or inconsistent with the context, mean and include its successors-in-interest and assignees, etc).

AND

M/s KG REDDY COLLEGE OF ENGINEERING AND TECHNOLOGY, MOINABAD, having its registered office at Chilkur, Moinabad, represented by its Principal Dr. M. Madhusudanan Nair, (hereinafter after called as Second Part, which expression shall, unless repugnant to or inconsistent with the context, mean and include his/her heirs, executors, administrators, legal representatives and assignees, etc)

WHEREAS First Part is engaged in the business of Overseas Education Consultancy that is operated in accordance with a distinctive system and plans. First Part is an authorized agent of various universities abroad.

WHEREAS First Part is an established overseas education consultancy and has developed by utilizing and compromising the technical knowledge, trade secrets, confidential information, techniques, identifying schemes and materials, standard operational procedures, and proprietary information related to the operation of Overseas Education consultancy.

Whereas the Second Part is an Academic Institution offering UG/PG programs, but the Second Part does not have arrangements with the Universities in the abroad, hence First Part has come forward to offer services and guidance to students on campus. Whereas the Second Part will provide infrastructure facility to carry out the operations of Valmiki Career Counseling Center (VCCC):
NOW THIS AGREEMENT IS WITNESSETH AS FOLLOWS:

PART I: General Specifications

1. This agreement between the parties is valid for a period of ___ years commencing from August 2013 to July 2014.

2. This is a non-exclusive agreement with second party. The first party can engage in similar agreements with other similar institutions.

3. Both the parties shall not make use of the trademarks, Trade name, Trade dress, patents, copyrights, other logos, designs, monograms and all other intellectual property rights own and used without written consent from either parties.

4. The second part shall not offer any guarantee or admission or guarantee of visa to any student. If any student claims that the guarantee is given, then the party to the first is not liable and the second part alone is liable to fight with such students.

5. The second part shall not charge any fees from the student exorbitantly. If there is any dispute in respect of the same there is no liability of first part and the second part alone is responsible to deal with the student.

6. The second part shall preserve the goodwill and reputation of the first part and operate in strict compliance of laws which are required under law. The second part shall not allow any illegal activities such as fake documents etc.

7. The first part has every right to terminate this contract with the second part without assailing any reasons and the second part shall not have any say on that score.

8. The second part shall not enter into any agreement with any other consultant/institute offering similar services not allow any other consultants/institute to conduct promotional activities in the campus.
9. This Agreement together with all schedules, annexures, appendices and amendments incorporated/communicated from time to time constitutes the entire agreement between the Parties relating to the subject matter. There are no oral or implied agreements and no oral or implied warranties or understanding between the Parties.

10. The second part is authorized to be represented as Valmiki Career Counseling Center (VCCC).

This agreement witnesses on the day, month and year mentioned above in the presence of the following witnesses.

Memorandum of Understanding
Between
University of Massachusetts Lowell, USA and
K.G. Reddy College of Engineering and Technology, Hyderabad, India

This Memorandum of Understanding (MOU) is entered into by and between the University of Massachusetts Lowell (UML), USA and K.G. Reddy College of Engineering and Technology (KGRCET), India. UML and KGRCET agree that cooperation in research and higher education would be mutually beneficial. The areas of cooperation may include, subject to mutual consent, any desirable and feasible activity to further research and education. Such interaction may include cooperation in a variety of joint academic and education activities such as:

- Joint articulations in degree programs and course offerings;
- Exchanges of faculty and graduate students;
- Academic activities including joint research projects and publications; exchanges of publications, materials, and information;
- Joint conferences and workshops; and special short term programs and visits.

The primary contacts for this MOU are Mr. K. Krishna Reddy, Chairman for KGRCET and Prof. Krishna Vedula, Director for India Partnerships for UML. The parties may enter into specific written agreements hereunder to clarify and define the nature, extent and terms of operation for the proposed collaborations, including intellectual property ownership and funding issues. Prior to entering into any such agreements, these agreements will require the approval of appropriate officers from each institution. All agreements and activities covered under this MOU or entered into by the parties, must comply with all applicable laws and regulations, including all U.S. export control laws and regulations. For agreed upon activities, both institutions will make available their facilities and staff as further defined in such agreements. This MOU will be valid for five years unless terminated by one of the parties. This MOU will take effect on April 23, 2012.

The following authorized individuals have signed the present MOU on behalf of the respective institutions.

(John Ting)
Dean, Francis College of Engineering
University of Massachusetts Lowell
Lowell, MA
USA

(K. Krishna Reddy)
Chairman, K.G. Reddy College of Engineering and Technology

Memorandum of Understanding between
Milwaukee School of Engineering, Milwaukee, Wisconsin, USA
and
KG Reddy College of Engineering & Technology, Hyderabad, India
Version 1.0

I. PURPOSE

This Memorandum of Understanding (MOU) outlines the preliminary steps to be taken by the Milwaukee School of Engineering (MSOE) and KG Reddy College of Engineering & Technology (KGRCE) in the development of a 2+2 style transfer program between these institutions.

II. AGREEMENTS

a. The Milwaukee School of Engineering agrees to

   i. Appoint a liaison who will be responsible for:

      1. Coordinating communication between the institutions.
      2. Providing assistant and advice to KGRCE regarding the development of a viable 2+2 transfer program.
      3. Monitoring the progress and success of the collaboration.

   ii. Assist KGRCE in the development of undergraduate courses appropriate for transfer to MSOE by:

      1. Providing appropriate course documentation (descriptions, outlines, laboratory manuals, equipment lists, laboratories, etc.)
      2. Providing access to faculty experts to develop and explain pertinent materials.

b. Send a faculty representative to KGRCE annually to:

   1. Provide consultation on course content.
   2. Provide consultation on laboratory facilities.
3. If possible, attend "intake" ceremonies for students entering the proposed 2+2 program.
4. If possible, visit the U.S. Consulate in Hyderabad to speak with appropriate visa official regarding the legitimacy, value and importance of the 2+2 program being developed between MSOE and KGRCE.
5. Render other assistance as requested and appropriate.

iv. At such time as an acceptable program of study has been developed at KGRCE and students complete it, MSOE will:

1. Accept qualified students into appropriate undergraduate programs.
2. Provide non-financial assistance to students in obtaining visas for study in the United States.
3. Grant scholarships to those students who qualify.
4. Assist students in obtaining practical experience situations (i.e., internships and/or on the job training (OJT)) within the parameters of applicable visa restrictions and economic conditions.

v. Provide local hospitality to KGRCF personal visiting MSOE at MSOE's expense.

vi. Not to use KGRCE's name or logo in marketing materials until additional details regarding a 2+2 program are agreed to and an additional MOU describing these details has been signed.

b. KG Reddy College of Engineering & Technology agrees to:

i. Appoint a liaison officer who will be responsible for:

1. Coordinating communication between the institutions
2. Monitoring the progress and success of the collaboration.

ii. Provide MSOE with reasonable additional details of KGRCE's intentions regarding the proposed 2+2 program in timely fashion. These details include, but are not limited to:

1. Providing appropriate course documentation (descriptions, outlines, laboratory manuals, equipment lists, lecture notes, etc.) of the course work taken at KGRCF.
2. A timeline indicating when students will start their studies at KGRCE and be prepared for transfer to MSOE.
3. A list of disciplines in which students will be educated and into which they will expect transfer.
4. The approximate number of students expected to apply to transfer to MSOE in each of these disciplines.
5. And to notify MSOE in a timely manner should any of these plans change.

iii. Provide local hospitality to MSOE personal visiting KGRCE at KGRCE's expense.

iv. Not to use MSOE's name or logo in marketing materials until additional details regarding this 2+2 program are agreed to and an additional MOU describing these details has been signed.

III. PERIOD OF APPLICABILITY, AMENDMENTS, AND TERMINATION OF THIS MOU

This Memorandum of understanding shall be valid from July 1, 2012 to July 1, 2014 and may be extended, shortened or amended by mutual consent. For withdrawal from this agreement, a given party shall provide a six (6) month written notice. In any event students and faculty already within programs shall be allowed to complete their particular ongoing programs.
