DEPARTMENT OF BUSINESS MANAGEMENT
SEMINAR (2015-16)

ON
ECO FRIENDLY PRODUCTS

FACULTY NAME: V.Y. John, Assistant PG College DATE: 13-04-2016

Through this seminar students learned that eco-friendly products play an important role in our daily life. India states that the usage of eco-friendly and handmade products is the best way for preserving our natural resources and is also budget saving. There are many eco-friendly products such as handmade paper, handmade paper products, eco furniture, shoes, paints, solar products, handicrafts products, paper bags and note books.
