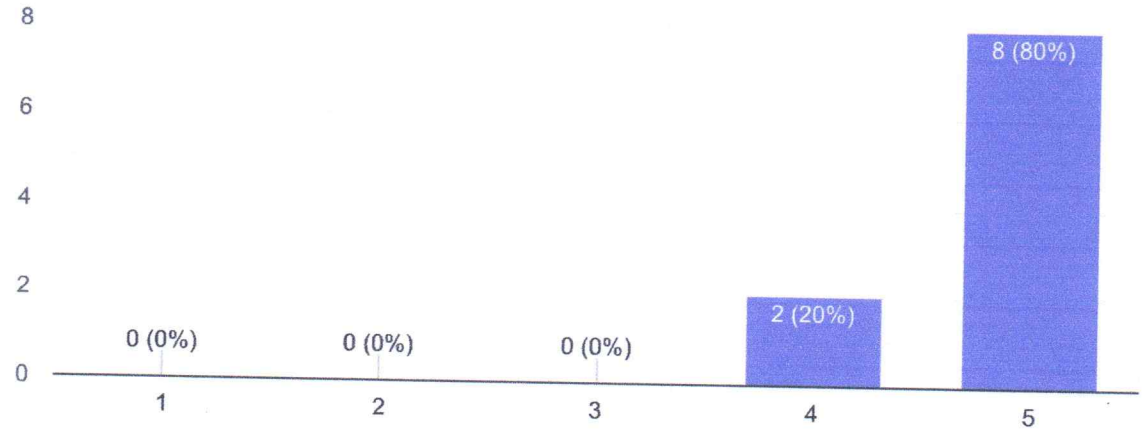
EEE Teachers Feedback 2019-20

10 responses

Publish analytics

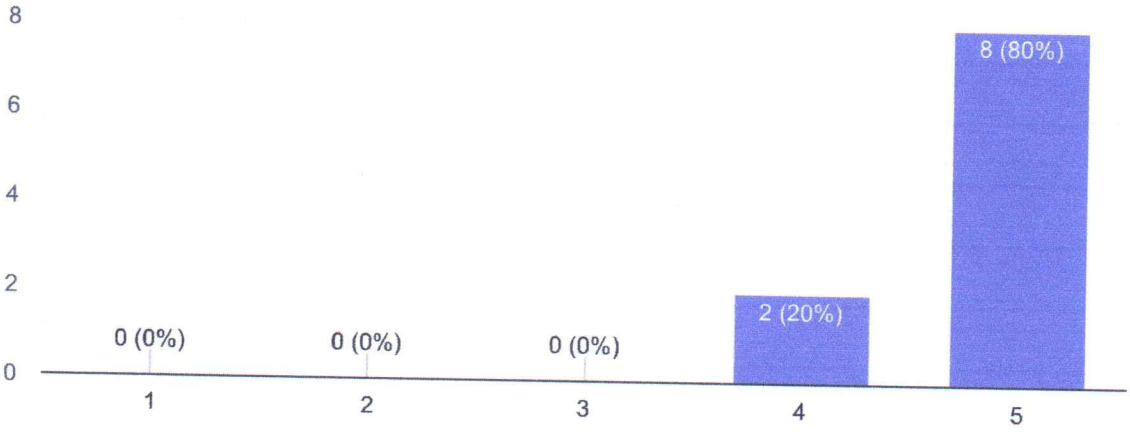
1. The courses / syllabus taught by me have a good balance between theory and application:

10 responses



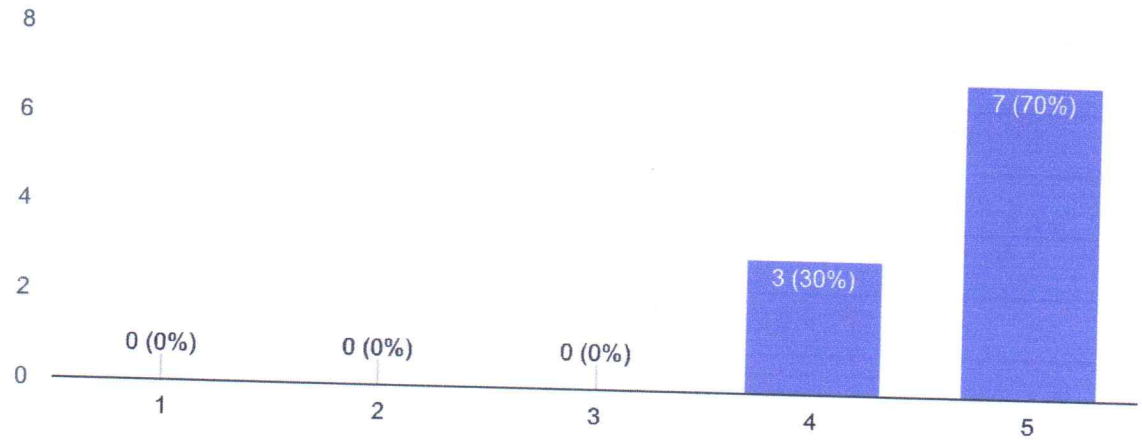
2. The objectives of the syllabus are well defined:

10 responses



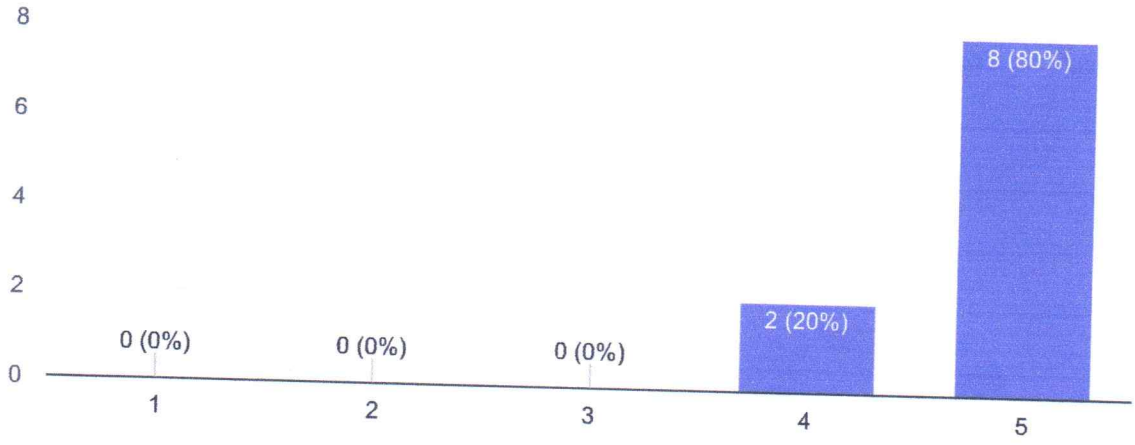
3. The books/journals etc. prescribed / listed as reference materials are relevant updated and cover the entire syllabus:

10 responses



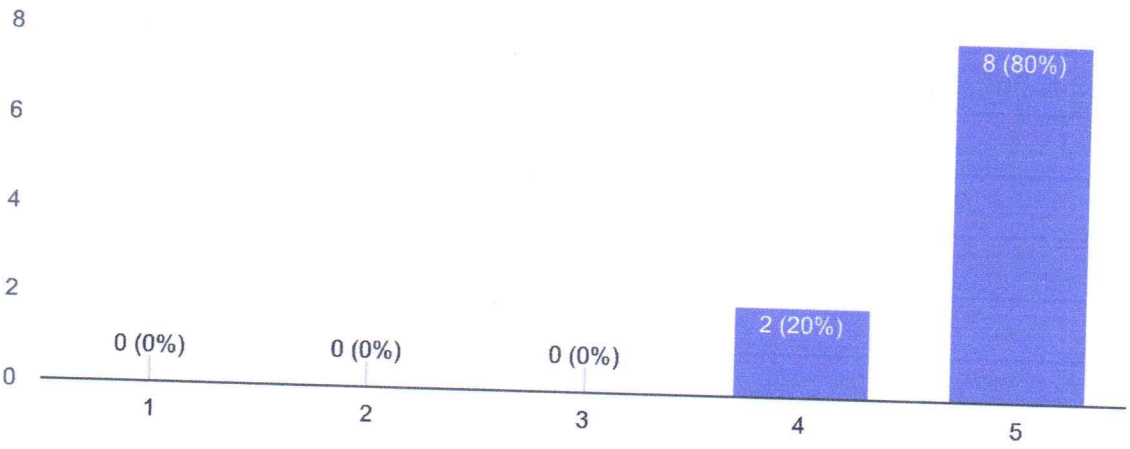
4. The course / syllabus of the subjects taught by me increased my interest, knowledge and perspective in the subject area:

10 responses



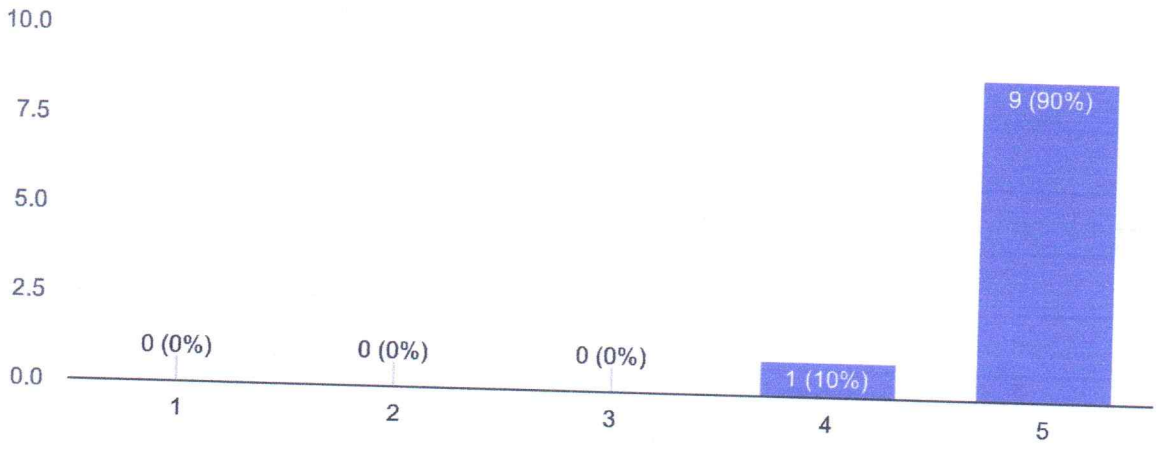
5. The college has given me full freedom to adopt new techniques / strategies of teaching such as group discussions, seminar presentations and learners' participation:

10 responses



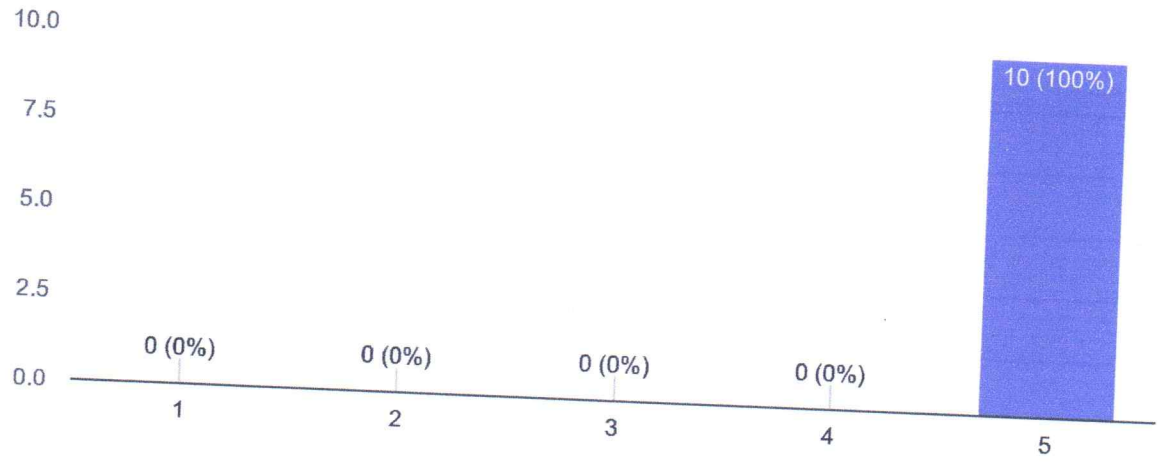
6. I have the freedom to adopt new techniques / strategies of testing and assessment of students:

10 responses



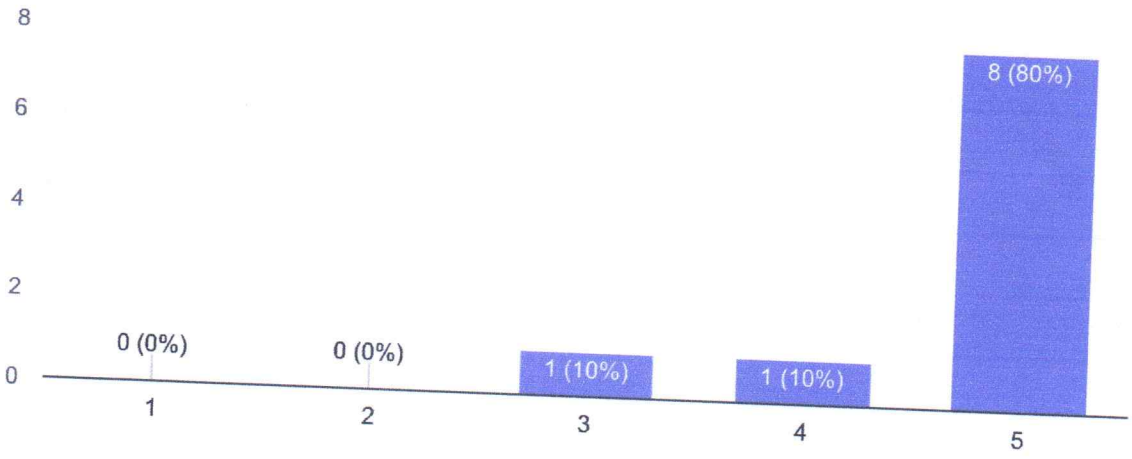
7. Tests and examinations are conducted well in time with proper coverage of all units in the syllabus:

10 responses



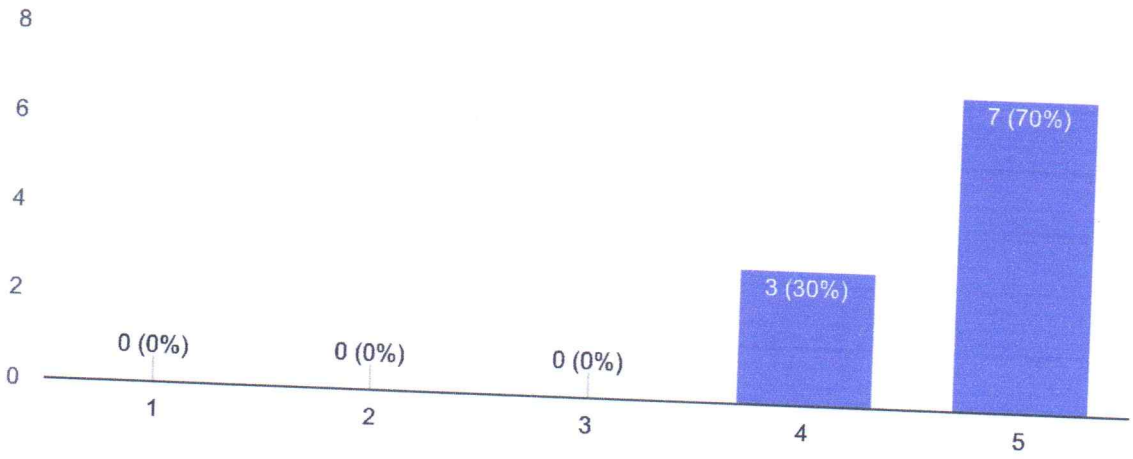
8. The prescribed books are available in the Library in Sufficient numbers:

10 responses



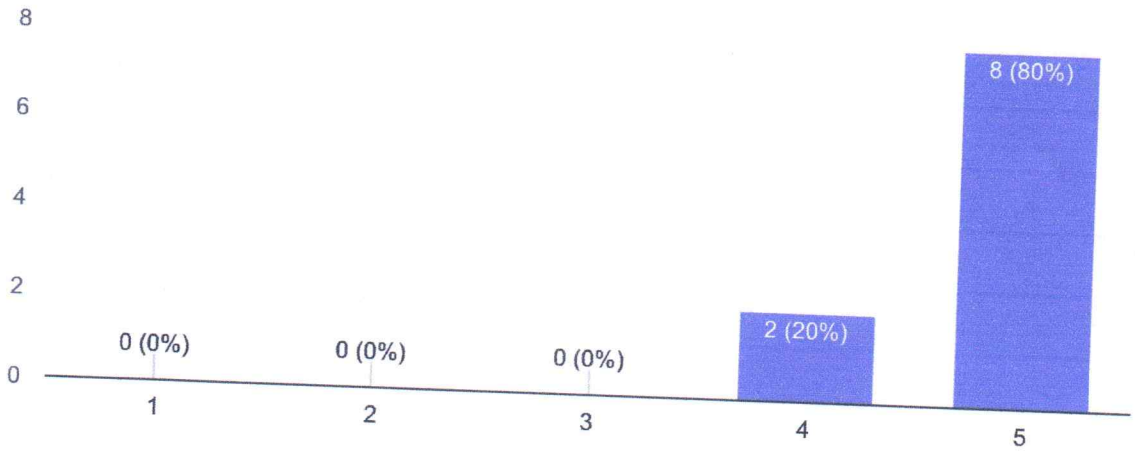
9. The environment in the College is conducive (making a certain situation) to teaching and research:

10 responses



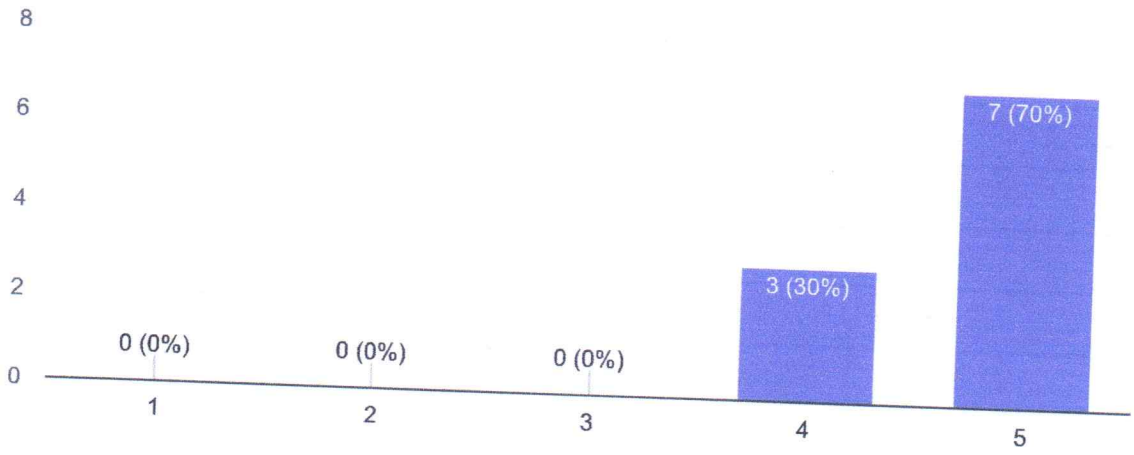
10. The administration is teacher friendly:

10 responses



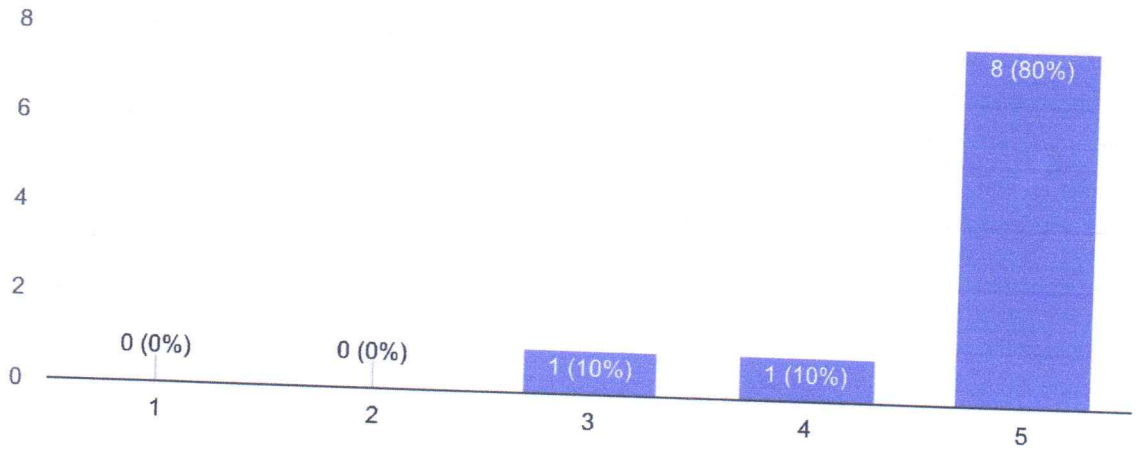
11. The college provides adequate opportunities and support to faculty members for upgrading their skills and qualifications:

10 responses



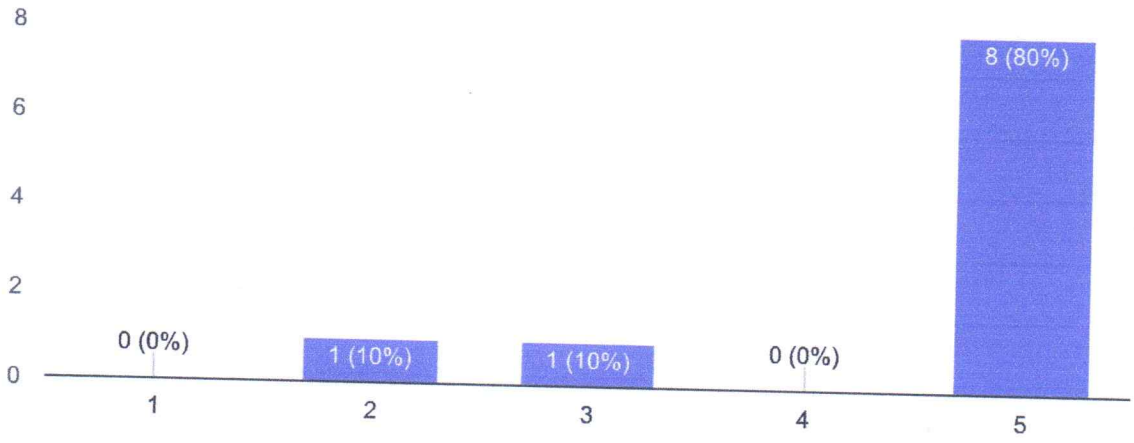
12. ICT facilities in the college are adequate and satisfactory:

10 responses



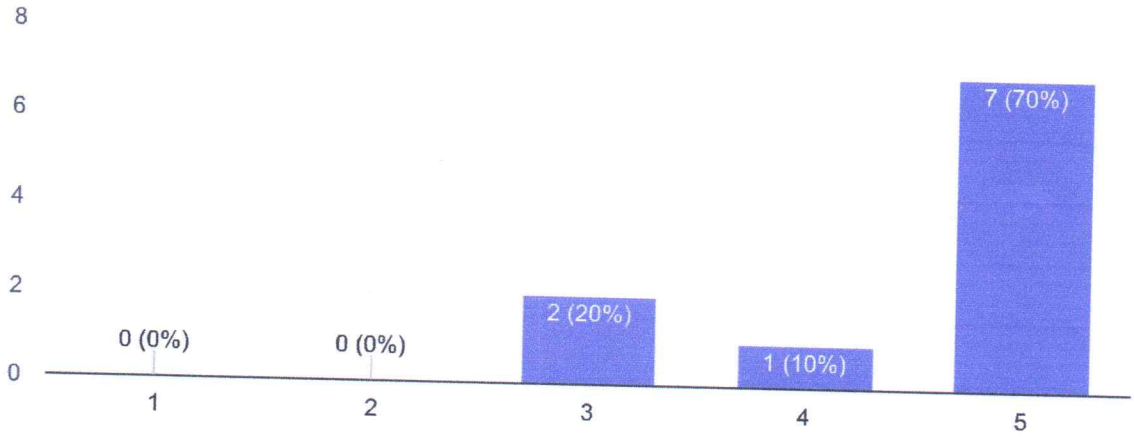
13. Separate space in college Canteen is available for Teachers:

10 responses



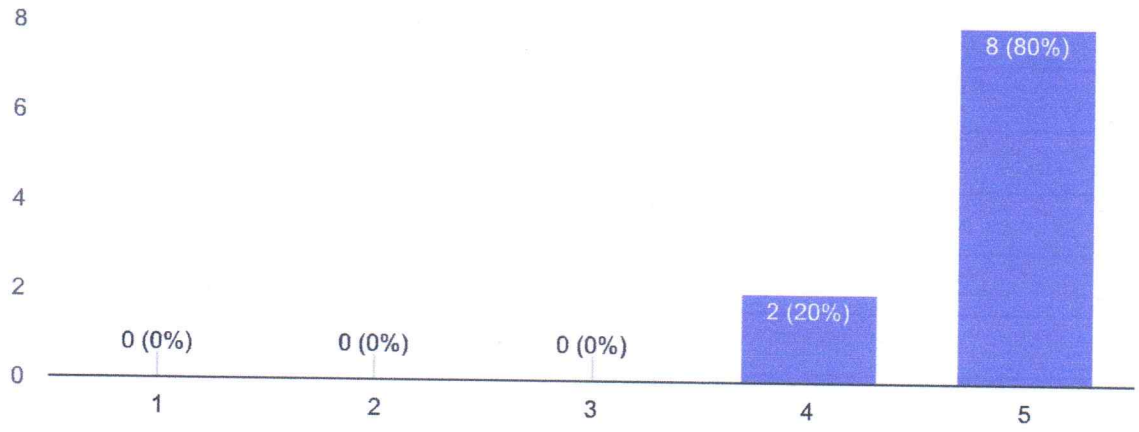
14. Toilets / washrooms are clean and properly maintained:

10 responses



15. The classrooms are clean and well maintained:

10 responses



16. Suggestion regarding new software's adaption in labs?

10 responses

No

Action Taken Report

Academic Year 2019-20

The feedback was collected from the stakeholders of the institution

1. Students
2. Teachers
3. Alumni
4. Parents

For the smooth running and betterment of the institution feedback is collected. It's a retro specification which helps in providing better facilities in teaching learning process and administration. Feedback taken from the stakeholders has definitely help the institution to pay attention to the areas where there was a need to improve

The following table relates to the short comings and the action taken to solve these issues

Sr. No	Stakeholders	Feedback	Action Taken
1	Students	Need Improvement in online class teaching	More FDP and Webinars arranged and use of Canvas FDP is organized for the faculty
		Need Detailed Knowledge for difficult subjects	More tutorial and Extra classes planned for difficult subjects
		To reduce External Exam fear	Mock Mid Test of I & II Exams Conducted Before Examination
		More Innovative teaching Required	Planned Quizzes, Discussions and poll Quizzes for all courses
2	Teachers	More faculty Development Programs are required to enhance the teaching knowledge	Faculty members are encourage to attend more FDPS in ATAL FDP & STTP and also other Institutions.
		More focus is needed on Research and Publications	CRID team will be organized FDP and STTP In institution for faculty for research activities.
		Use of Open source software's	Sci lab, Bently ,Oscad is available in computer labs
		Conduct Workshop/Seminar on Recent Technology	Conducted Workshop and seminars for all Teachers and students
		Special Training Programs to be organized	Organized all the students CRT training

Principal
KG Reddy College of Engineering & Technology
Chilkur (V) Moinabad (M).
R. R. Dist

3	Alumni	Internet and wifi Free connectivity	Campus is connected with Free wifi connectivity
		Personality and Confidence improvement training	Training & placements, Monthly seminars and webinars conducted
4	Parents	Increase in Transportation	All the route buses are running in different places
		No proper Roads near the college	Now college surrounding Good roads are available
		Need support for extracurricular activities	Various clubs are formed at department level and institute
		Placement opportunities	Good Number of Online and offline drives conducted for student placement

Action Taken Report

Academic Year 2018-19

The feedback was collected from the stakeholders of the institution

1. Students
2. Teachers
3. Alumni
4. Parents

For the smooth running and betterment of the institution feedback is collected. It's a retrospection which helps in providing better facilities in teaching-learning process and administration. Feedback taken from the stakeholders has definitely helped the institution to pay attention to the areas where there was a need to improve.

The following table relates to the short comings and the action taken to solve these issues:

Sr.No	Stakeholder	Feedback	Action Taken
1	Students	Need more industry visits.	Planned more industrial visits
		Use of ICT.	Additional classrooms are equipped with ICT.
		Learning environment in the classroom.	Interactive teaching methodology and e-source learning method are followed.
		Need to develop team spirit.	Team building activities/More activities like HACKTHON, Cultural, and Sports are conducted.
		To reduce exam fear.	Formative tests are conducted.
		Concept formation to be simplified.	Sharing and Showing more video lectures.
2	Teachers	To encourage exposure to the global standards.	Faculty members are encouraged to attend in-house and external FDP's

KG Reddy College of Engineering & Technology
Chilkur (V) Moinabad (M).
R.R. Dist

		Research and Publication.	Faculty members are encouraged to publish papers, pursue PhD and enroll for post-doctoral projects.
		Updating of current trends in their subjects	Faculty members are encouraged to enroll in online courses
		Personal and Professional development	Faculty members are given training in OBE
		Skill development programs are needed	EPICS
3	Alumni	Encourage towards Entrepreneurship	MHRD webinars for skill development
		Special training programs to be organized	Technical training is given in Block chain and Artificial intelligence
		Equipments in laboratories	Periodic up gradation according to curriculum requirements.
		Internet and Wi-Fi	Campus is connected to high speed Wi-Fi
4	Parents	Communication from Heads of the departments and administration	Periodic Parent teacher meetings are conducted
		Discipline practices	Ethics and human values lectures are organized regularly.
		Participation in academic forum	Students are encouraged to participate in various forums through technical club
		Placement opportunities	Frequent job fairs are conducted
		Need to improve in Life skills	Interpersonal and leadership skills are honed through the formation Student Council.

Action Taken Report

Academic Year 2017-18

Feedback was requested from following stakeholders

1. Students
2. Teachers
3. Alumni
4. Parents

Report of the actions taken

Sr. No.	Stakeholder	Feedback	Action Taken
1	Students	Learning environment out of the classroom	M-tutor
		Awareness on alternative energy sources	Workshops on Solar Energy
		Mentors from industry required	Infosys campus connect
		Real time exposure to the industry environment	Industrial Visits ISRO
		Need detailed explanation for some subjects	Personal counseling to faculty
		Require Sessions on difficult subjects	Guest lecture
		Lunch time is not sufficient	Planning to extend the lunch time
		Quantitative subjects are very difficult to understand	Faculty were motivated to conduct extra tutorial classes to improve student understanding of that particular subject
		Use of PPT in teaching learning process	Most of the faculties have already included modern teaching aids in teaching they have started preparing ppt & other innovative

Principal
KG Reddy College of Engineering & Technology
Chilkur (V), Moinabad (M), R.R. Dist.

			teaching aids.
2	Teachers	More Faculty Development Programmes (FDPs) are required to enhance teaching practices.	Faculty members are encouraged to attend FDPs in other Colleges in addition to FDPs in the institution.
		Skill based development programmes are needed.	EPICS
		Need a platform to get awareness about Outcome based education	Webinar on Ioncudos to get more exposure to OBE
		Implementation of various Open Source Softwares should be carried out.	Implemented open source softwares like Ngspice, Scilab, Octave, Oscad.
		More focus is needed on Research and Publications	Organized National Conferences in the Institution and allowing faculty to present papers in International Conferences.
3	Alumni	Practical sessions need to be encouraged in order to connect well with course material	Project based assignments
		Need more focus on Industry Interaction	MoU's with Industries
		Grooming with respect to personality and confidence is needed.	Training & Placement classes
		Opportunity for the Alumni to interaction with current students for sharing their work experiences in real world	Alumni meet
4	Parents	Slow learners are to be provided with extra time.	Remedial Classes
		Placement opportunities are to be enhanced	Conducted Genpact,Just dail,Qspiders drive and Mega Job fair is planned at KGRCET in March, 2018
		Personality development training	Training &

KG Reddy College of Engineering & Technology
Chilkur (V) Moinabad (M),
R. R. Dist

			Placement classes
		Teacher should act as a facilitator.	Mentoring takes place for every 15 days
		Need Support for extra-curricular activities	Various Clubs are formed through Student Welfare Department
		Need to improve organizing skills of the students	Annual day, cultural day, Mega job fair

Feedback from Teachers

This form is intended to collect information relating to your satisfaction towards the curriculum, teaching, learning, evaluation and infrastructure. The information provided by you will be kept confidential and will be used as important feedback for quality improvement of the programme of studies and the institution.

For each item please indicate your level of agreement with the following statements by selecting appropriate option

1. The courses / syllabus taught by me have a good balance between theory and application:
   a) Below average b) Average c) Good d) Very good e) Excellent

2. The objectives of the syllabus are well defined:
   a) Below average b) Average c) Good d) Very good e) Excellent

3. The books/journals etc. prescribed / listed as reference materials are relevant updated and cover the entire syllabi:
   a) Below average b) Average c) Good d) Very good e) Excellent

4. The course / syllabi of the subjects taught by me increased my interest, knowledge and perspective in the subject area:
   a) Below average b) Average c) Good d) Very good e) Excellent

5. The college has given me full freedom to adopt new techniques / strategies of teaching such as group discussions, seminar presentations and learners' participation:
   a) Below average b) Average c) Good d) Very good e) Excellent

6. I have the freedom to adopt new techniques / strategies of testing and assessment of students:
   a) Below average b) Average c) Good d) Very good e) Excellent

7. Tests and examinations are conducted well in time with proper coverage of all units in the syllabus:
   a) Below average b) Average c) Good d) Very good e) Excellent

8. The prescribed books are available in the Library in Sufficient numbers:
   a) Below average b) Average c) Good d) Very good e) Excellent

9. The environment in the College is conducive to teaching and research:
   a) Below average b) Average c) Good d) Very good e) Excellent

10. The administration is teacher friendly:
a) Below average b) Average c) Good d) Very good e) Excellent

11. The college provides adequate opportunities and support to faculty members for upgrading their skills and qualifications:
a) Below average b) Average c) Good d) Very good e) Excellent

12. ICT facilities in the college are adequate and satisfactory:
a) Below average b) Average c) Good d) Very good e) Excellent

13. Separate space in college Canteen is available for Teachers:
a) Below average b) Average c) Good d) Very good e) Excellent

14. Toilets / washrooms are clean and properly maintained:
a) Below average b) Average c) Good d) Very good e) Excellent

15. The classrooms are clean and well maintained:
a) Below average b) Average c) Good d) Very good e) Excellent

16. Suggestion regarding new software's adaption in labs?
For ELCS & ACS Labs K. Van software solutions is very good.

17. Suggestion regarding faculty development programs?
FDPs help the faculty to enhance their knowledge and techniques of teaching.

18. Any other suggestion?
The opportunities given by the management helps us to upgrade our skills & qualifications.

Feedback from Teachers

This form is intended to collect information relating to your satisfaction towards the curriculum, teaching, learning, evaluation and infrastructure. The information provided by you will be kept confidential and will be used as important feedback for quality improvement of the programme of studies and the institution.

For each item please indicate your level of agreement with the following statements by selecting appropriate option

1. The courses / syllabus taught by me have a good balance between theory and application:
   a) Below average b) Average c) Good d) Very good e) Excellent

2. The objectives of the syllabus are well defined:
   a) Below average b) Average c) Good d) Very good e) Excellent

3. The books/journals etc. prescribed / listed as reference materials are relevant updated and cover the entire syllabi:
   a) Below average b) Average c) Good d) Very good e) Excellent

4. The course / syllabi of the subjects taught by me increased my interest, knowledge and perspective in the subject area:
   a) Below average b) Average c) Good d) Very good e) Excellent

5. The college has given me full freedom to adopt new techniques / strategies of teaching such as group discussions, seminar presentations and learners' participation:
   a) Below average b) Average c) Good d) Very good e) Excellent

6. I have the freedom to adopt new techniques / strategies of testing and assessment of students:
   a) Below average b) Average c) Good d) Very good e) Excellent

7. Tests and examinations are conducted well in time with proper coverage of all units in the syllabus:
   a) Below average b) Average c) Good d) Very good e) Excellent

8. The prescribed books are available in the Library in Sufficient numbers:
   a) Below average b) Average c) Good d) Very good e) Excellent

9. The environment in the College is conducive to teaching and research:
   a) Below average b) Average c) Good d) Very good e) Excellent

10. The administration is teacher friendly:
a) Below average b) Average c) Good d) Very good e) Excellent

11. The college provides adequate opportunities and support to faculty members for upgrading their skills and qualifications:
a) Below average b) Average c) Good d) Very good e) Excellent

12. ICT facilities in the college are adequate and satisfactory:
a) Below average b) Average c) Good d) Very good e) Excellent

13. Separate space in college Canteen is available for Teachers:
a) Below average b) Average c) Good d) Very good e) Excellent

14. Toilets / washrooms are clean and properly maintained:
a) Below average b) Average c) Good d) Very good e) Excellent

15. The classrooms are clean and well maintained:
a) Below average b) Average c) Good d) Very good e) Excellent

16. Suggestion regarding new software's adaption in labs?

—

17. Suggestion regarding faculty development programs?
FDP was good and they are conducting every semester with new techniques, new methodologies.

18. Any other suggestion?

—

Action Taken Report

Academic Year 2019-20

The feedback was collected from the stakeholders of the institution

1. Students
2. Teachers
3. Alumni
4. Parents

For the smooth running and betterment of the institution feedback is collected. It's a retro specification which helps in providing better facilities in teaching learning process and administration. Feedback taken from the stakeholders has definitely help the institution to pay attention to the areas where there was a need to improve

The following table relates to the short comings and the action taken to solve these issues

Sr. No	Stakeholders	Feedback	Action Taken
1	Students	Need Improvement in online class teaching	More FDP and Webinars arranged and use of Canvas FDP is organized for the faculty
		Need Detailed Knowledge for difficult subjects	More tutorial and Extra classes planned for difficult subjects
		To reduce External Exam fear	Mock Mid Test of I & II Exams Conducted Before Examination
		More Innovative teaching Required	Planned Quizzes, Discussions and poll Quizzes for all courses
2	Teachers	More faculty Development Programs are required to enhance the teaching knowledge	Faculty members are encourage to attend more FDPS in ATAL FDP & STTP and also other Institutions.
		More focus is needed on Research and Publications	CRID team will be organized FDP and STTP In institution for faculty for research activities.
		Use of Open source software's	Sci lab, Bently ,Oscad is available in computer labs
		Conduct Workshop/Seminar on Recent Technology	Conducted Workshop and seminars for all Teachers and students
		Special Training Programs to be organized	Organized all the students CRT training

Principal
KG Reddy College of Engineering & Technology
Chilkur (V) Moinabad (M).
R. R. Dist

3	Alumni	Internet and wifi Free connectivity	Campus is connected with Free wifi connectivity
		Personality and Confidence improvement training	Training & placements, Monthly seminars and webinars conducted
4	Parents	Increase in Transportation	All the route buses are running in different places
		No proper Roads near the college	Now college surrounding Good roads are available
		Need support for extracurricular activities	Various clubs are formed at department level and institute
		Placement opportunities	Good Number of Online and offline drives conducted for student placement

Feedback from Teachers

This form is intended to collect information relating to your satisfaction towards the curriculum, teaching, learning, evaluation and infrastructure. The information provided by you will be kept confidential and will be used as important feedback for quality improvement of the programme of studies and the institution.

For each item please indicate your level of agreement with the following statements by selecting appropriate option

1. The courses / syllabus taught by me have a good balance between theory and application:
   a) Strongly Disagree b) Disagree c) Agree d) Strongly Agree

2. The objectives of the syllabus are well defined:
   a) Strongly Disagree b) Disagree c) Agree d) Strongly Agree

3. The books/journals etc. prescribed / listed as reference materials are relevant updated and cover the entire syllabus:
   a) Strongly Disagree b) Disagree c) Agree d) Strongly Agree

4. The course / syllabus of the subjects taught by me increased my interest, knowledge and perspective in the subject area:
   a) Strongly Disagree b) Disagree c) Agree d) Strongly Agree

5. The college has given me full freedom to adopt new techniques / strategies of teaching such as group discussions, seminar presentations and learners' participation:
   a) Strongly Disagree b) Disagree c) Agree d) Strongly Agree

6. I have the freedom to adopt new techniques / strategies of testing and assessment of students:
   a) Strongly Disagree b) Disagree c) Agree d) Strongly Agree

7. Tests and examinations are conducted well in time with proper coverage of all units in the syllabus:
   a) Strongly Disagree b) Disagree c) Agree d) Strongly Agree

8. The prescribed books are available in the Library in Sufficient numbers:
   a) Strongly Disagree b) Disagree c) Agree d) Strongly Agree

9. The environment in the College is conducive (making a certain situation) to teaching and research:
   a) Strongly Disagree b) Disagree c) Agree d) Strongly Agree

10. The administration is teacher friendly:

Principal

Action Taken Report

Academic Year 2018-19

The feedback was collected from the stakeholders of the institution

1. Students
2. Teachers
3. Alumni
4. Parents

For the smooth running and betterment of the institution feedback is collected. It's a retrospection which helps in providing better facilities in teaching-learning process and administration. Feedback taken from the stakeholders has definitely helped the institution to pay attention to the areas where there was a need to improve.

The following table relates to the short comings and the action taken to solve these issues:

Sr.No	Stakeholder	Feedback	Action Taken
1	Students	Need more industry visits.	Planned more industrial visits
		Use of ICT.	Additional classrooms are equipped with ICT.
		Learning environment in the classroom.	Interactive teaching methodology and e-source learning method are followed.
		Need to develop team spirit.	Team building activities/More activities like HACKTHON, Cultural, and Sports are conducted.
		To reduce exam fear.	Formative tests are conducted.
		Concept formation to be simplified.	Sharing and Showing more video lectures.
2	Teachers	To encourage exposure to the global standards.	Faculty members are encouraged to attend in-house and external FDP's

KG Reddy College of Engineering & Technology
Chilkur (V) Moinabad (M).
R.R. Dist

		Research and Publication.	Faculty members are encouraged to publish papers, pursue PhD and enroll for post-doctoral projects.
		Updating of current trends in their subjects	Faculty members are encouraged to enroll in online courses
		Personal and Professional development	Faculty members are given training in OBE
		Skill development programs are needed	EPICS
3	Alumni	Encourage towards Entrepreneurship	MHRD webinars for skill development
		Special training programs to be organized	Technical training is given in Block chain and Artificial intelligence
		Equipments in laboratories	Periodic up gradation according to curriculum requirements.
		Internet and Wi-Fi	Campus is connected to high speed Wi-Fi
4	Parents	Communication from Heads of the departments and administration	Periodic Parent teacher meetings are conducted
		Discipline practices	Ethics and human values lectures are organized regularly.
		Participation in academic forum	Students are encouraged to participate in various forums through technical club
		Placement opportunities	Frequent job fairs are conducted
		Need to improve in Life skills	Interpersonal and leadership skills are honed through the formation Student Council.

Action Taken Report

Academic Year 2017-18

Feedback was requested from following stakeholders

1. Students
2. Teachers
3. Alumni
4. Parents

Report of the actions taken

Sr. No.	Stakeholder	Feedback	Action Taken
1	Students	Learning environment out of the classroom	M-tutor
		Awareness on alternative energy sources	Workshops on Solar Energy
		Mentors from industry required	Infosys campus connect
		Real time exposure to the industry environment	Industrial Visits ISRO
		Need detailed explanation for some subjects	Personal counseling to faculty
		Require Sessions on difficult subjects	Guest lecture
		Lunch time is not sufficient	Planning to extend the lunch time
		Quantitative subjects are very difficult to understand	Faculty were motivated to conduct extra tutorial classes to improve student understanding of that particular subject
		Use of PPT in teaching learning process	Most of the faculties have already included modern teaching aids in teaching they have started preparing ppt & other innovative

Principal
KG Reddy College of Engineering & Technology
Chilkur (V), Moinabad (M), R.R. Dist.

			teaching aids.
2	Teachers	More Faculty Development Programmes (FDPs) are required to enhance teaching practices.	Faculty members are encouraged to attend FDPs in other Colleges in addition to FDPs in the institution.
		Skill based development programmes are needed.	EPICS
		Need a platform to get awareness about Outcome based education	Webinar on Ioncudos to get more exposure to OBE
		Implementation of various Open Source Softwares should be carried out.	Implemented open source softwares like Ngspice, Scilab, Octave, Oscad.
		More focus is needed on Research and Publications	Organized National Conferences in the Institution and allowing faculty to present papers in International Conferences.
3	Alumni	Practical sessions need to be encouraged in order to connect well with course material	Project based assignments
		Need more focus on Industry Interaction	MoU's with Industries
		Grooming with respect to personality and confidence is needed.	Training & Placement classes
		Opportunity for the Alumni to interaction with current students for sharing their work experiences in real world	Alumni meet
4	Parents	Slow learners are to be provided with extra time.	Remedial Classes
		Placement opportunities are to be enhanced	Conducted Genpact,Just dail,Qspiders drive and Mega Job fair is planned at KGRCET in March, 2018
		Personality development training	Training &

KG Reddy College of Engineering & Technology
Chilkur (V) Moinabad (M),
R. R. Dist

			Placement classes
		Teacher should act as a facilitator.	Mentoring takes place for every 15 days
		Need Support for extra-curricular activities	Various Clubs are formed through Student Welfare Department
		Need to improve organizing skills of the students	Annual day, cultural day, Mega job fair

Feedback from Teachers

This form is intended to collect information relating to your satisfaction towards the curriculum, teaching, learning, evaluation and infrastructure. The information provided by you will be kept confidential and will be used as important feedback for quality improvement of the programme of studies and the institution.

For each item please indicate your level of agreement with the following statements by selecting appropriate option

1. The courses / syllabus taught by me have a good balance between theory and application:
   a) Below average b) Average c) Good d) Very good e) Excellent

2. The objectives of the syllabus are well defined:
   a) Below average b) Average c) Good d) Very good e) Excellent

3. The books/journals etc. prescribed / listed as reference materials are relevant updated and cover the entire syllabi:
   a) Below average b) Average c) Good d) Very good e) Excellent

4. The course / syllabi of the subjects taught by me increased my interest, knowledge and perspective in the subject area:
   a) Below average b) Average c) Good d) Very good e) Excellent

5. The college has given me full freedom to adopt new techniques / strategies of teaching such as group discussions, seminar presentations and learners' participation:
   a) Below average b) Average c) Good d) Very good e) Excellent

6. I have the freedom to adopt new techniques / strategies of testing and assessment of students:
   a) Below average b) Average c) Good d) Very good e) Excellent

7. Tests and examinations are conducted well in time with proper coverage of all units in the syllabus:
   a) Below average b) Average c) Good d) Very good e) Excellent

8. The prescribed books are available in the Library in Sufficient numbers:
   a) Below average b) Average c) Good d) Very good e) Excellent

9. The environment in the College is conducive to teaching and research:
   a) Below average b) Average c) Good d) Very good e) Excellent

10. The administration is teacher friendly:
a) Below average b) Average c) Good d) Very good e) Excellent

11. The college provides adequate opportunities and support to faculty members for upgrading their skills and qualifications:
a) Below average b) Average c) Good d) Very good e) Excellent

12. ICT facilities in the college are adequate and satisfactory:
a) Below average b) Average c) Good d) Very good e) Excellent

13. Separate space in college Canteen is available for Teachers:
a) Below average b) Average c) Good d) Very good e) Excellent

14. Toilets / washrooms are clean and properly maintained:
a) Below average b) Average c) Good d) Very good e) Excellent

15. The classrooms are clean and well maintained:
a) Below average b) Average c) Good d) Very good e) Excellent

16. Suggestion regarding new software's adaption in labs?
For ELCS & ACS Labs K. Van software solutions is very good.

17. Suggestion regarding faculty development programs?
FDPs help the faculty to enhance their knowledge and techniques of teaching.

18. Any other suggestion?
The opportunities given by the management helps us to upgrade our skills & qualifications.

Feedback from Teachers

This form is intended to collect information relating to your satisfaction towards the curriculum, teaching, learning, evaluation and infrastructure. The information provided by you will be kept confidential and will be used as important feedback for quality improvement of the programme of studies and the institution.

For each item please indicate your level of agreement with the following statements by selecting appropriate option

1. The courses / syllabus taught by me have a good balance between theory and application:
   a) Below average b) Average c) Good d) Very good e) Excellent

2. The objectives of the syllabus are well defined:
   a) Below average b) Average c) Good d) Very good e) Excellent

3. The books/journals etc. prescribed / listed as reference materials are relevant updated and cover the entire syllabi:
   a) Below average b) Average c) Good d) Very good e) Excellent

4. The course / syllabi of the subjects taught by me increased my interest, knowledge and perspective in the subject area:
   a) Below average b) Average c) Good d) Very good e) Excellent

5. The college has given me full freedom to adopt new techniques / strategies of teaching such as group discussions, seminar presentations and learners' participation:
   a) Below average b) Average c) Good d) Very good e) Excellent

6. I have the freedom to adopt new techniques / strategies of testing and assessment of students:
   a) Below average b) Average c) Good d) Very good e) Excellent

7. Tests and examinations are conducted well in time with proper coverage of all units in the syllabus:
   a) Below average b) Average c) Good d) Very good e) Excellent

8. The prescribed books are available in the Library in Sufficient numbers:
   a) Below average b) Average c) Good d) Very good e) Excellent

9. The environment in the College is conducive to teaching and research:
   a) Below average b) Average c) Good d) Very good e) Excellent

10. The administration is teacher friendly:
a) Below average b) Average c) Good d) Very good e) Excellent

11. The college provides adequate opportunities and support to faculty members for upgrading their skills and qualifications:
a) Below average b) Average c) Good d) Very good e) Excellent

12. ICT facilities in the college are adequate and satisfactory:
a) Below average b) Average c) Good d) Very good e) Excellent

13. Separate space in college Canteen is available for Teachers:
a) Below average b) Average c) Good d) Very good e) Excellent

14. Toilets / washrooms are clean and properly maintained:
a) Below average b) Average c) Good d) Very good e) Excellent

15. The classrooms are clean and well maintained:
a) Below average b) Average c) Good d) Very good e) Excellent

16. Suggestion regarding new software's adaption in labs?

17. Suggestion regarding faculty development programs?
In our college what ever the FDP's they are conducting is very good.

18. Any other suggestion?

Student Feed Back On The Facilities Of College Report(2019-2020)

- The college collected feedback from students concerning the services that on college provide to the entire students community. Their feedback helps us to evaluate both on management, teaching faculty other staff members their Inputs are valued and will affect future management decisions regarding the progress of the institution.
- 611 student, provide their feedback based on the facilities like library, infrastructure canteen and transportation.

1. Library

- The analysis of the students feedback clearly depicts that they are well satisfied with the facilities including digital library facilities.
- Here is flow chart which provided statistical details 92% of the students gave excellent feedback on the availability of material for prescribed readings.
- 90%. the students opined that availability of the reference books is excellent
- Majority of the students agreed that the accessibility of books&Journals excellent .
- Majority of the students agreed that the availability of e- Journals & eBooks very good
- the students highly appreciated the Library facilities which are provided by the college

2. Infrastructure facilities

- The college provides well equipped laboratories and other infrastructure facilities.
- Majority of the students are accepted that the class rooms are clean and well maintained.
- Equipment in the lab are in working condition
- Students accepted that clean drinking water is available in the department and in the college campus
- A majority of the students felt that the Faculty utilization of ICT Tools knowledge on usage of ICT was excellent.
- Medical assistance Some students felt that medical assistance needs to be improved
- Majority of the students accepted Internet facilities is available/accessible in the department some students are not satisfied with internet facilities which are to be improved.
- majority of the students feel that Girls/Boys common room facilities provided by the college are good and require no change.
- Toilets/Washrooms are hygienic and properly maintained,All most all students felt that the washrooms are hygienic and properly maintained.

III-Canteen Facilities:

- A moderate response from the students, Quality of the food needs to be improved.
- Service/Adequate sitting arrangement many students are expecting better services than what is already in place.

IV-Transportation:

- Availability of buses in all routes expressed their view who utilizing bus facility said good they agreed that college buses function as per schedule time, Few students are not happy with the availability of buses in some routes, We found a moderate response from the students

V-Institutional Environment:

- The Campus is green and Eco-friendly All most all students are happy with the campus environment. A majority of the students felt that the functioning of placement cell is good, placement for the outgoing students where provided with MNC companies.
- Many students felt that the problems are solved well in time.
- Student council and Student administration. Relationship was good and fair, apart from academics they are also utilizing infrastructure of co circular facilities provided by college
- Majority of the students participated in the feedback process and accepted that they are well satisfied with all the facilities provided by the college management, though small requests have been mentioned by the students
- Few students expressed for minor changes in teaching and learning process, even though the college management look into those small issues and rectify them make this institution as one of best engineering college in telangana and India

Student Feed Back On The Facilities Of College Report(2018-19)

The college of KGRCET collected feedback from the students on various facilities Like Buildings, infrastructure facilities library, laboratories and other equipments. They gave valued feedback of the individual departments and the entire college facilities. Many of the students provided their feedback in a proactive manner and few requirements are identified from strident community.

1. College provides both conventional as well as students digital Library to all the students. Majority of the students agreed that they have been utilizing the library facilities to upgrade their technical competence From first year to final year, Like prescribed text books, reading material are adequate for them to get good marks and grade academics.

2. In the feedback form we asked a question on attendance and results display on Notice Boards. All of them accepted from time to time attendance as well as mid and semester results are displayed regularly

3. The college provides adequate power supply without Interruption so They are no regrets on this facility Apart from regular thermal power we have been utilizing Generators for all the college campus during the working hours. For laboratories we have been using UPS if any power cute during the lab hours. So the students agreed that they have been getting facility successfully

4. Class rooms are clean and well maintained all the students said that they are happy to say that all the class rooms are clean and well maintained regularly.

5. Students agreed all the equipment in the Laboratories and workshops are in fully working condition. So they are able to work on the tools in labs and workshops

6. KGRCET is having a strong placement cell apart from Training to all the final year students. So many students gave the positive feedback on the placement cell and many of the MNC have been visiting college to provide & good packages to the students Majority of the students expressed their view on MNC placements provided college Management

7. The college provide grievance and Redress - cell to all the students so they able to solve their personal issues by informing to the grievance cell. Several problems have been solved by the grievance committee - so they saying grievance cell is excellent.

8. Students utilized their spare time by reading books in the library. They agreed that the seminar Hall which provides them to listen to guest lectures, seminars, workshops, organized by individual departments

9. KGRCET is a green campus which looks like a homely environment campus. It is in the midst of trees, a large Lawn, medicinal plants, vegetation land. So it is the only campus as Eco-friendly 100% of students expressed excellent for green and Eco-friendly question in their feedback

10. Majority of the students said yes to the drinking water facility available in the each and every department Coolers have been installed on every floor so they are happy with the facility.

11. Girls and boys separate, washrooms have been allotted on each floor of College. And they have been hygiene and properly maintained regularly. So they are utilizing the facility and said very good

12. Majority of the students agreed that the office staff are cordial with them whenever they meet the accounts section officer and other staff members for scholarship issues and gave a good feedback

13. The college provides internet facility to all the students by providing wifi routers on all the floors. Student are utilizing this resource for preparation of notes, PPTs, Project, Project based Assignments. So the students are happy for the facility provided by the college.

14. All the students gave positive feedback on Library and seminar, staff member are cooperative and helpful to all the students whenever they utilize the resources so all the student gave an excellent feedback
