Objective: Every man needs the oxygen for their life and Trees are the foremost source of oxygen as well trees helps to reduce the level of co2.As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees has become one of the most important today's aspects. It is also important to bring social awareness and responsibility among youth for their society. In this lockdown to make chain of plantations we started doing planation from homes.

Outcome:

The NSS Unit of KGR CET organized "Tree Plantation" programme "**HARITHAHARAM**" under the National Service Scheme (NSS) from 01-07-2020 to 15-07-2020 in the college premises and at our homes or in society also. It was attended by KGR CET faculties and Students of kgrcet, more than 100 student volunteers participated in this chain of planation. Students showed their active participation in this program. We planted more than 2000 plants during this Haritha haram programme. Our students started Prana Vruksh Foundation for this and whole team worked very well.

Summary Report on Haritha Haram

Venue: KGR CET college campus & At homes in lockdown period.

In this lockdown period, by keeping thought for planation our college students started Prana Vruksh Foundation. Along with this foundation whole KGR CET faculties and students participated very actively in this programme. Every student planted a plant and tagged for 3 more persons again those 3 persons will tag for another three persons in this way this chain we started. In this event not only KGR CET family but very nice participation we got from other states too like Maharashtra, Andhra Pradesh, Karnataka, UP etc. under this event we planted more than 2000 plants students planted tress in their villages also. KGR CET faculties also did tree planation in college campus where all faculties together planted trees. In this lockdown period also, our volunteers are very much active and showed very active participation in all activities so, principal of KGR CET Dr. R.S. Jahagirdar said congratulations and motivated to entire team.
