Minutes of Meeting

The discussion started with the agenda started with the committee formation for AY-2021, the research culture with the publications in Scopus Indexed Journals, project proposals submission to MSME and projects collaboration with Industries.

- previous academic year analysis:
 - SRO, MSME
- Discussed about the submitted proposals to MSME, MOOROB, DST, and SERB. DST proposal is under review.
- The rejected proposals were discussed, talking about the comments for SERB → Not recommended by the committee. To overcome this the detail analysis need to be made for further submitted of proposals.
- Discussed about the MOOROB proposal, that need to be identified with the emerging technologies such as 3D printing, AIML, green technology, cloud computing etc.
- Registration to club it SPICE.
- suggestions to make active research culture
 - like FOPS collaboration with MIT's & IIT's.
 - preparation towards year project.
 - Preparation of project for students from 1st year to 4th year.
 - Journals submission to UGC & Scopus Index Journals.
- Discussion on SIH problem statement.
- preparation of R&D calendar and providing it to the departments.
- Guiding students from 1st to 4th year.
- Business plan writing need to improve from MSME.

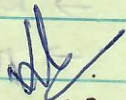

→ Detail analysis on project proposals submitted and assessment.
