Report:

It is specific to Telangana and is dedicated to the worship of Shakti in the form of various Grama Devatas. Though celebrated all over Telangana, it is the celebrations in Hyderabad that are really well known. It is a corruption of the word Bhojanalu (meals or a feast) where devotees offer cooked food to the Ammavaru. The women carry earthen pots containing rice cooked with jaggery, milk, decorated with Neem, Haldi and also offer Kumkum, Saree, Bangles to the Ammavaru. The festivities is believed to have started in Secunderabad during 1813, after a deadly plague broke out in the city. The Hindu Soldiers of the Hyderabad Battalion were then in Ujjain, and they prayed to Mahankali to save city from plague. They promised to build a temple to her in Secunderabad if the plague went away. The plague was curbed, and in gratitude the soldiers built the temple for Ujjain Mahankali in Secunderabad. Since then, Bonalu has been a regular celebration in Hyderabad/Secunderabad, as a Thanksgiving festival of sorts.

Every year KGReddy College celebrates bonalu, this year in 2018 also our college lady faculties carries bonam from chilkur village to college with great devotion on grama devatha ammavaru. Students also participated in the event.

Report on Bathukamma Festival Celebration

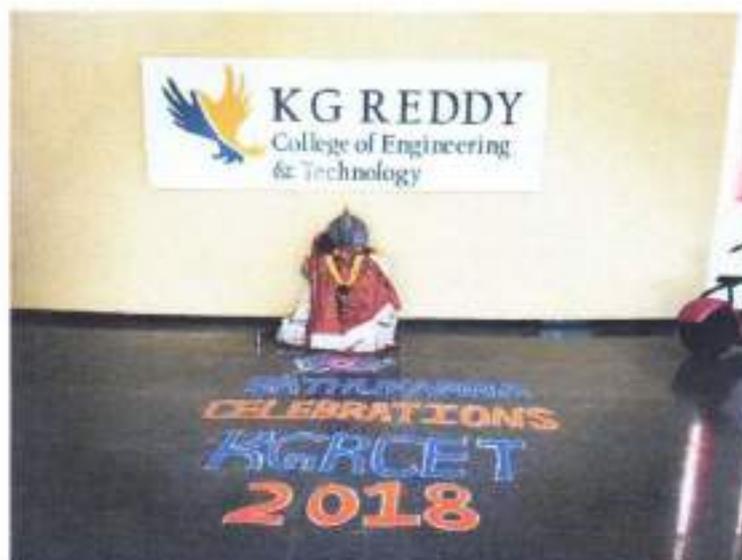

Date: 12/10/2018

Bathukamma is state festival of Telangana. The festival is celebrated in KG Reddy College of engineering and technology on 12/10/2018 i.e. on Friday. On the day of celebration all the teaching, non teaching staff and students came in traditional attire.

Significance of the festival: There is a story behind this festival. Bathukamma, as the daughter of the Chola King 'Dharmangada' and 'Satyavati'. The king and queen lost their 100 sons in the battlefield and prayed to Goddess Lakshmi to be born in their house, as their child. Goddess Lakshmi heard their sincere prayers and chose to oblige them. When Lakshmi was born in the royal palace, all the sages came to bless her and they blessed her with immortality "Bathukamma or Live Forever".

How to prepare Bathukamma: Men in every house bring bagfuls of flowers and the entire household sits down to make the big 'Batukamma'. The flowers are carefully arranged row after row in a brass plate (called taambalam) in circular rows and in alternate colors. As evening approaches the women folk dress colourfully with the best of their attire and adorn lot of ornaments and place the Batukamma in their courtyard. The women of neighborhood also gather in a large circle around it. They start singing songs by circling it repeatedly, building a beautiful human circle of unity, love, sisterhood.

Report:

The celebration of Diwali, the festival of lights, came alive at KGR CET, on November 2 when the whole college wore a festive look with pots, diyas and lanterns adorning the reception and corridors of the college. The rangoli on the theme of eco-friendly Diwali by the students of all the departments added the perfect setting to the festivity.

During the morning hours students talked about the significance of the festival , how good always conquers the evil and also about why and how Diwali is celebrated across the country. Principal Dr. R.S Jhagirdar sensitised the students about the ill-effects of crackers.
