## A Summary Report

As the busses arrived in the morning the campus was looking colorful and the students were charged up in showcasing their traditional attires. All of them gathered at the Amphitheatre and a ramp walk was organized for them to showcase their special dresses.

The students participated with confidence and walked the ramp with a model's attitude. They were cheered by the non-participants and encouraged to do their best. There were solo walks and couple walks to be judged for the best presenters and the judges had a tough time choosing the best among them.

Class IV employees were also encouraged to participate in a ramp walk. This was done to de-stress them, by doing something different from their routine work. They also took part in different games like Musical Chairs & Tug of War organized specially for them to enjoy the day.

A DJ was arranged for the students on their demand and they enjoyed dancing to their favorite tunes. Finally it ended at 4:15 pm as the busses were ready to depart.

Overall it was an awesome time for everybody.
