All have assembled in the open lawn in front of the Portico , the flag was hoisted by the Principal Aristotle PG College and other distinguished Professors. we have all realised the value of a good lifestyle. So, we modified our runs to accommodate all Covid protocols. We can't have communal celebrations on Republic Day, hence running is a safe way to celebrate the day. Through this run, we are promoting mental and physical well-being while spreading the message of peace, solidarity and unity across the world," says Chary, a member of the group, which will have 20 runners completing a run of 5km while holding the national flag.

we have pledged to get freedom from laziness and negativity through group fitness activities. A team of 50 runners, with a vision for a healthier and fitter , will run with the Tricolour while maintaining social distancing and taking other necessary precautions for Covid-19," says, a member of the group.
