Students Achievements:

Student Name: Bolla Ganesh Department: Computer Science Engineering, Data Science
Institution: KG Reddy College of Engineering & Technology

Description: Bolla Ganesh has been honored with the National Social Impact Award for his innovative engineering project. This prestigious recognition was granted for the development of an "Autonomous Drone System For Solar Panel Cleaning," a solution aimed at improving efficiency in the renewable energy sector. The award was presented in collaboration with the Centre for Innovation & Social Transformation (CIST) and the KGR Accelerator for Social Entrepreneurship (KASE).

The image shows a certificate with a white grid background. At the top, there are three logos: KG Reddy College of Engineering & Technology, CIST (Centre for Innovation & Social Transformation), and KASE (KGR Accelerator for Social Entrepreneurship). The main text reads: "Congratulations on receiving National SOCIAL IMPACT AWARD for his project Autonomous Drone System For Solar Panel Cleaning". Below this, a purple box contains the name "Bolla Ganesh" and his department "Computer Science Engineering Data Science". On the right side, there is a photograph of Bolla Ganesh, a young man with dark hair, wearing a dark blue blazer over a white shirt, smiling. The certificate is decorated with purple and orange geometric shapes.

Sanapala Kishore Kumar Institution: KG Reddy College of Engineering and Technology, Hyderabad Event Name: MECHOVATE (Design | Deploy | Dominate)an intensive 30 Hours Hackathon organized by the Department of Mechanical Engineering at Anurag University, Hyderabad. Held from October 17–18, 2025

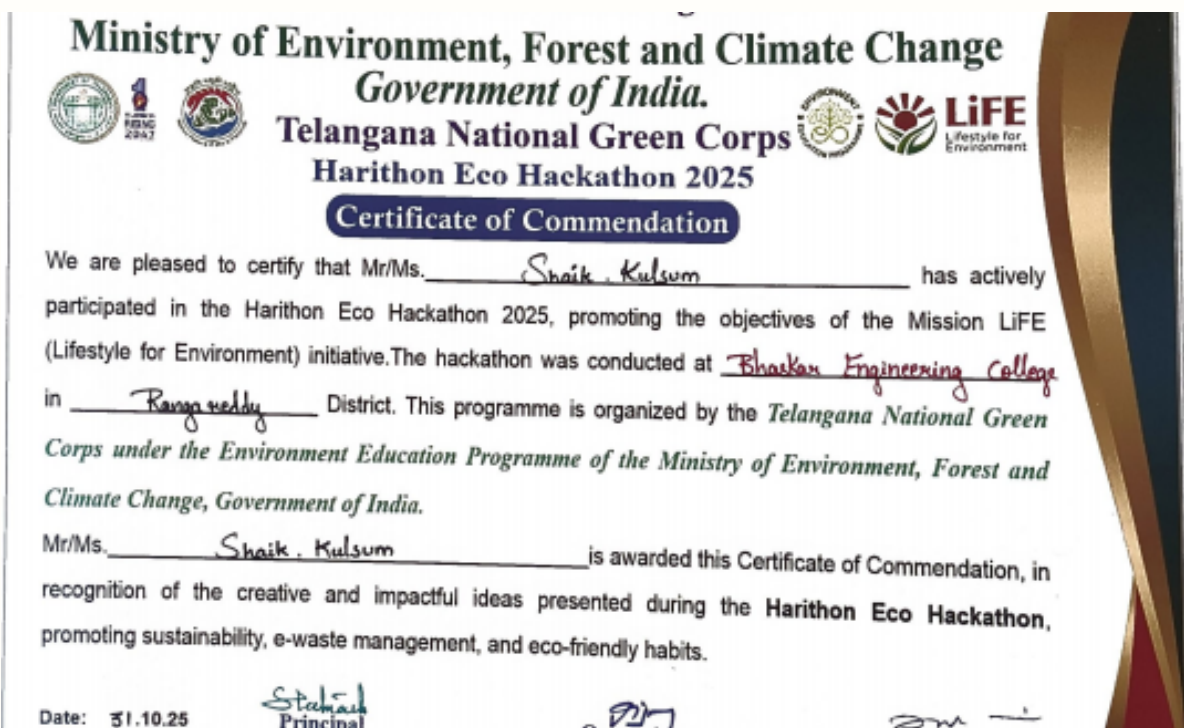

Student Names: Talla Vaishnavi, Shaik Kulsum & Cheguri Akanksha
Event Name: Harithon Eco Hackathon 2025

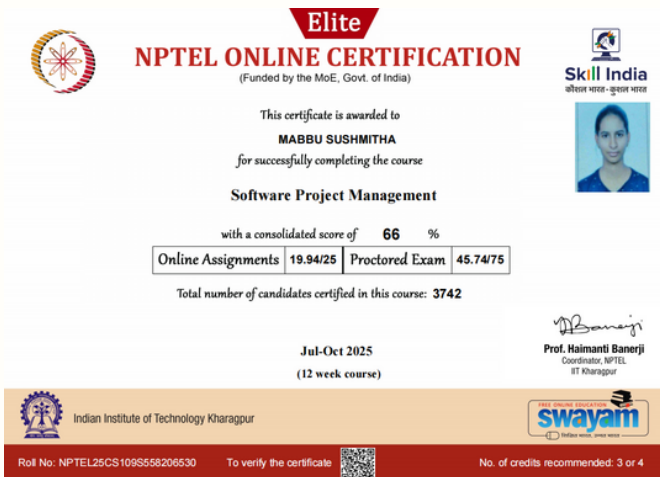

Awarding Body: Ministry of Environment, Forest and Climate Change, Govt. of India (Telangana National Green Corps)

Host Institution: Bhaskar Engineering College, Rangareddy

Description: Taalla Vaishnavi and Cheguri Akanksha were awarded Certificates of Commendation for their active participation and impactful contributions to the Harithon Eco Hackathon 2025. This national-level initiative was organized under the Environment Education Programme to promote the objectives of Mission LiFE (Lifestyle for Environment). The students were specifically recognized for presenting creative ideas focused on promoting sustainability, e-waste management, and eco-friendly habits.

Demonstrating academic excellence and professional rigor, a student has earned an "Elite" designation in a national-level certification program facilitated by the Indian Institute of Technology (IIT). This 12-week intensive program required the mastery of complex project lifecycles and resource management, culminating in a high-percentile score among thousands of candidates nationwide.
